Depth, Underclassmen Bolster Cross-Country

With only one returning letterman, it would appear that this year's cross country team is in for a long season. Nevertheless, there is a lot of talent to work with and hopefully it will offset inexperience and produce a winning season.

Ed Esteves: PA's Best

Senior Ed Esteves, number two man most of last season, returns as Andover's best runner. His best time for PA's home course of 2.5 miles is an excellent 13:22, and he undoubtedly ranks as one of the top 15 runners on the prep school circuit.

Close behind Esteves this season will be Captain Tom Treadwell. Though not a letterman, he ran varsity during the first half last season, but slipped after he was besieged by colds.

Other Harriers

A dozen men will compete for the remaining varsity places. Lower Stan Carson, Athlete of the Week last year as a junior, should be a stalwart on the varsity this fall. Last year, Carson showed so much improvement late in the season that he was chosen to compete in the Interschols. Seniors Ernie Lange and Dave Ross, both fine two milers in track last year, have

Ed Esteves

looked impressive while lower Sam Butler, a JV standout last season should help. Senior Charlie Fliflet, a letterman in track the last two terms in the two miles, must learn to cope with hills as he is a newcomer to cross country. Preps Steve Begay and Doug Wham have run well, and Ted Thorndike, hockey and baseball captain later in the year, could help if he can regain the form which made him one of last season's top JV runners. Also vying

for the varsity is John Danforth who has looked good.

Because PA will compete at home most of the season, it will have an advantage over most of the opposition. Andover's home course is 2.5 miles of "ups and downs" and runners do well on it only through constant exposure.

Keeping pace with Rummel and Weinberg for he first two miles will be Charlie Keefe, Doug Westberg, Louis Buhler, Bill Hudson, and Bill Murray. Together this illustrious septet forms the nucleus for the infamous Kip's Commandos.

Don Weinberg and Larry Rummel are the rabbits for the club squad. But Rummel needs a front end overhaul and Weinberg has run out of axle grease.

U-M, Northeastern Spoil Opener For PA Cross - Country

Saturday, October 4; Boston—Andover cross-country lost to both the University of Massachusetts and Northeastern University freshmen Saturday in a tri-meet at Northeastern. Andover, shutout by both teams, was without the services of Captain Tom Treadwell and Ed Esteves, both with injuries. UM won the meet.

PA Scorers

Lower Stan Carson led all Blue runners as he finished sixteenth overall. Seniors Dave Ross and Ernie Lange followed close behind with Ross taking seventeenth and Lange nineteenth. The other two scorers for Andover were preps Steve Begay and Bruce Wolfe.

The winning time for the 3.2 mile course was 15:57. Carson's time was 18:18, while Ross was clocked in 18:21, and Lange 18:42. Other times included a 19:10 and 19:14 by Wolfe and Begay respectively.

Swain

Tom Swain, PA's top runner last year, and who now attends the University of Massachusetts, finished a strong fourth in the meet as his team's number two harrier. Last year Swain captured seventh in the same meet.

Next week cross-country meets Huntington and UNH at home. Last year Andover shutout Huntington, taking the first fifteen places.

HARRIERS CRUSH HUNTINGTON; BLUE SUCCUMBS TO UNH, 15-40

Wednesday, Oct. 8; Andover— PA's varsity cross-country team outran a weak Huntington School team today, 15-49. The Blue took the first six places, but lost the chance for a sweep when a Huntington runner finished seventh.

Carson Wins

Ed Esteves, Andover's top runner, was injured and didn't run, but Stan Carson won with a good 13:58. The next finishers were Ernie Lange, who ran a 14:05. Lower Bruce Wolfe took fourth, just nipped by Fliflet at the tape, in 14:11. He was followed by upper prep Doug Wham at 14:19, and Sam Butler, 14:20. Captain Tom Treadwell, who had a back injury the past week, came in eighth, after a Huntington runner, in 14:22 to round off the Blue scoring.

Poor Conditions

The day's weather was bad for running, so the times were good for the conditions. The wet course was soft and slow to run on. It took its toll of the runners, as Dave Ross, one of the top men on

the squad, sprained his knee going around Hairpurn Turn before Heartbreak Hill, and is out indefinitely.

The team showed fine overall improvement, with almost everyone cutting down on their times by at least thirty seconds. Leading the way in improvement were Fliflet, who took 57 seconds off his time, John Danforth, who took off 54 seconds, and Ted Thorndike, who ran 83 seconds faster.

Saturday, Oct. 11; Andover—

Andover's cross-country team was overpowered today by a strong freshmen squad from the University of New Hampshire. In sweeping the first five places, UNH achieved a near-perfect score of 15-40. The defeat dropped PA's dual meet record to 1-1.

Andover Finishers

For the third straight time this year, lower Stan Carson finished first for the Blue. He placed sixth in the meet with a time of 13:48. Andover also copped the next four places. Ernie Lange came in seventh, sporting a time of 13:50. Ed Esteves and Bruce Wolfe were the next finishers for the Blue. Esteves' final kick beat out Wolf in 13:57. Wolf was just behind, finishing at 13:58. Rounding out the scoring in the meet was the Blue's Doug Wham in 14:00.

Runners for PA who didn't account in the scoring were Charlie Fliflet, Sam Butler, Captain Tom Treadwell, and John Danforth. Their times placed them twelfth, fifteenth, sixteenth, and seventeenth respectively.

U.N.H.

The freshmen captured the first five positions in the contest, winning first and second in exceptional times. Sisson of the visitors was first in 12:53 and Doug Smith followed him in three seconds later. Page of New Hampshire took third in 13:01. Bassett and Patria finished fourth and fifth. The freshmen's other runners placed eleventh, thirteenth, and fourteenth.

PA's harriers travel to Harvard Wednesday where a good team effort and better times will be necessary to bring home a victory. The team greatly improved on its times in the UNH meet, however. Wham showed the most improvement, dropping 19 seconds. Lange fell 15, and Wolf reduced his time by 12. Carson and Fliflet were six seconds better than against Huntington. On the average, the team dropped 11 seconds. Andover's cross-country team is improving steadily and by the end of the season, PA looms as a major threat.

Nothing could stop the Pilgrims' progress as Harvard copped the first six places and shut out Andover's cross-country team by the score of 15-50.

Wednesday, Oct. 15; Andover—The Harvard freshmen cross country team shutout the Andover varsity, today, 15-50. Despite the fact that Harvard swept the first 11 places, the first six in a time of 12:42, Andover once again improved as six PA runners bettered the fourteen minute mark.

Carson Wins For PA Again

Stan Carson, who has placed first for Andover in each meet so far, bettered his previous best time by six seconds as he crossed the finish in 13:42. Charlie Fliflet, breaking fourteen minutes for the first time this year and showing some speed in the stretch, finished one second behind Carson in 13:43. Doug Wham, an upper, also ran his top race of the year, taking third for PA in 13:48. Ernie Lange, lower Bruce Wolfe, and Eddie Esteves, still not fully recovered from a back injury, were all clocked in the 13:50's. Six Andover runners beat the Crimson's 12, 13, 14, and 15th men.

Captain Tom Treadwell, also slowed by a bad back, nevertheless lowered his best time to 14:05.

The start of the race was very fast as Harvard's plan was to sprint the first two miles and jog in from there. Fliflet went out first for PA and stayed in this position until Carson passed him halfway through the Sanctuary. Esteves was close behind Fliflet with Lange, Wolfe, Wham, and Treadwell behind him. Near the end of the sanctuary, before Heartbreak Hill, Fliflet passed Carson only to be passed for good by Carson up Heartbreak. At the top of Heartbreak, Esteves challenged Fliflet, but was fought off. Doug Wham made his move about this time and passed Esteves, followed by Lange and Wolf. Near the finish, Fliflet attempted to overtake Carson, but failed.

Meanwhile, Harvard, perhaps the best freshmen cross country team in the nation, was pensively viewing the Andover finish.

Saturday, October 18th; The Andover cross-country team opened its prep school competition with a 17-44 loss to Mt. Hermon. The Hermies' top four overpowered the Blue as Hallager and Noble beat Tom Swain's best time last year for PA.

Carson Leads PA

Stan Carson again took first for PA, and fifth over all with a good time of 13:29. He was followed by Ed Esteves who took sixth in 13:33. Mt. Hermon added insurance points as it took the next three places. Andover came back with the following three places with Bruce Wolfe taking tenth in 13:53 Ernie Lange eleventh in 13:54 and Charlie Fliflet twelfth in 13:59 to round out the Blue scoring. The other Blue runners were Steve Begay, 14:03, Doug Wham, 14:06, and Captain Treadwell, 14:19.

Improvement

Improvement has been shown all year and was shown again Saturday as Carson took 13 seconds off his previous best and Esteves removed twenty seconds.

This year's Mount Hermon team was extremely strong, much stronger than their last year's squad which beat the Blue. Andover's hopes against Exeter grow dim since the Red smashed Mt. Hermon. Andover will have to improve more if they hope to beat the Red.

Wednesday, Oct. 22; Andover—
The varsity cross-country squad, despite the poor weather, routed the St. Paul's varsity, 17-46.

Finishing first in the meet was Senior Eddie Esteves, who came in with a time of 13:40. Considering the terrible conditions in which he had to run, this is an excellent time. Charlie Fliflet came in second place with a time of 13:44, and Ernie Lange took third in 13:45. Franklin of St. Paul's copped fourth, but Andover again dominated taking the next seven places.

Finishing fifth was Stan Carson in 13:56, who came on strong after falling on the course. He was followed closely by Captain Tom Treadwell, who for the first time this season broke the fourteen minute mark, finishing in 13:58. Seventh place went to Bruce Wolfe, eighth to Steve Begay, ninth to Doug Wham, tenth to Sam Butler, and eleventh to Ted Thorn-dike. The PA runners were all hampered by insecure footing caused by hail and snow on the 2.5 mile course.

Stan Carson took second against Deerfield, but finished fifth against St. Paul's after falling on PA's course.

St. Paul's has not beaten the Andover cross-country team in nearly a decade. SPS was so weak this year that PA's JV harriers, who ran along with the varsity, unofficially beat the Paulies 24-31.

This was Andover's second victory of the season, against five defeats, four of which have come at the hands of college freshman teams.

The varsity ran first and from the start, through the first hill, the race was bunched. EXETER ROUTS CROSS-COUNTRY; RED COPS FIRST THREE PLACES

by GREG ZORTHIAN

Wednesday, Nov. 5; Andover—

Running on a wet, muddy course, the Andover varsity cross-country team was overwhelmed by a much faster Exeter squad, 17-46. Exeter captured the first three positions. Blue runner Ed Esteves followed in fourth with his best showing of the year.

Interschol Winner Places First

Interschol champ and runnerup Steve Hamel and Tim Mayes, both broke off fast from the group at the start and were never challenged. Hamel, who came in first, had a time of 13:04 which was good considering the terrible conditions. Mayes came in at 13:16 for a strong second.

Esteves Runs Well

Ed Esteves had a good start and was in third for part of the race. Nearing the finish, he was passed by Exeter's number three runner. John Kulscher. Kulscher had a strong kick to finish four seconds ahead of Esteves with a time of 13:27. Esteves' time of 13:31 was his best of the year. Esteves suffered from a back injury throughout the season and thus never regained his form of last year.

Carson Places Tenth

Exeter then captured the fifth through ninth positions with the Red captain Bertocci placing fifth behind Esteves. Lower Stan Carson, who has run in the number one slot for the Blue most of the year, placed tenth with a time of 13:48. This was higher than his usual time. A second fas-

Bruce Wolfe took third against PEA ter would have placed him in the ninth slot.

Another lower, Bruce Wolfe, captured eleventh with a time of 14:04. An Exeter runner came in twelfth, followed by Steve Begay, Ernie Lunge, captain Tom Treadwell and Charlie Fliflet. Treadwell was still bothered by an injured back which kept him out of the Interschols.

Andover ends the season with a 3-4 dual meet record. They also placed fifth in the Interschols, dominated by Exeter. Exeter showed a tremendous amount of depth while downing the Blue. The one bright spot of the season was the development of two fine lower runners, Stan Carson and Bruce Wolfe.

Leone Sparks Fast Backfield; Preps Bolster Offensive Line

Following last year's dismal 2-4-1 record, Andover football needs to rebound. With fifteen preps and players back from last season, PA can't help but improve. Three-fourths of a backfield is returning to anchor a potent offense, and a stable defense boasts five returnees. For the most part, the preps fill up a depleted offensive line.

The Blue will have had only two weeks to prepare for next Saturday's season opener at Tufts University. About five days were spent with drills and rugged conditioning in morning and afternoon practices. The rest of the time has been and will be devoted to solid contact and positioning before PA meets an unpredictable freshman team. Despite the apparent lack of preparation, the Blue should do well due to their previous playing experience and attitude.

Coach Sorota has been experimenting with his players, constantly juggling the lineup to find the best combination. With sixty-five players to choose from, he should have little trouble. Even though the final lineup has not been set up, evidently, PA will have an explosive offensive attack and a strong defensive game.

Strong Running

Leading the offense will be a running attack spearheaded by three returnees and three experienced pass catchers. Captain Nick Leone, Pete Sorota and Romerio Perkins are all lettermen and are strong rushers. Bob Carrington and Greg Meserole have varsity experience at end, and Senior prep Walt Snickenberger from Ithaca, N.Y. is also a fine receiver. Graduation depleted PA's supply of quarterbacks, and five candidates are out for the job. Senior prep Doug Lentz, a fine passer from Woburn, Mass. apparently has a slight edge over seniors Scot Curran, John Healey and Pat Cameron and upper Steve Sherrill.

The biggest weakness in the offense could very well be the offensive line. Blair Kitching at guard is the only returnee with experience. Fortunately, coach Sorota has many potential candidates for both the offensive and defensive lines. Preps Kelly Block from Jerome, Idaho, Jon Bushnell, Jay Hughes, and Stratis Falangas and John Misztal are strong prospects. Others out for the offensive backfield are uppers Doug Buxton and Sam Walker.

Potent Defense

The perennially strong Andover defense boasts five returnees and some important preps. Ends Pete Fox and Bob McDonald and tackle Todd O'Donnell anchor the defensive line. Senior preps Steve Marshall and Charles Thorn round out the top candidates for the line. Lewy Green shows promise as a linebacker and Jim Garrett will once again play in the defensive secondary with Trip Anderson. Former I's star Mike Eng and upper prep Louie Lampson have shown promise. Upper Jeff Hepburn is a rugged middle guard from Florida, and senior Bill Newman is out for linebacker.

Most of the positions are still pretty much up for grabs and the shuffling will continue until next week. Last year was a rebuilding year, and the school is ready for a winner.

Football Topples Tufts Frosh, 14-0

Saturday, September 27; Medford — In a fine display of aerial strength, Andover's varsity football team soundly defeated the Tufts' freshmen today, 14-0. Pete Sorota scored the Blue's first touchdown on a 74 yard pass play from quarterback Doug Lentz. Jay Boyle teamed up with Lentz for PA's second score, a seven yard strike in the second quarter. Three Jumbo fumbles were recovered by an alert Andover defensive squad.

Touchdown Pass To Sorota

After being stalled in its first set of plays, PA started again on its own 15 when Tufts ran out of downs. Lentz scrambled for four yards on first down. Romerio Perkins followed with a two-yard plunge through the middle. A third down pass to Walt Snickenberger was good for a first down on the Blue 26. Sorota then hauled in a pass in the left flat, evaded the Tufts defense secondary and scampered 74 yards to pay dirt. Bill Newman converted making the score 7-0, Andover.

Romerio Perkins romps for yardage.

The Blue's next and final tally came with 1:35 remaining in the first half. PA got the ball when Jeff Hepburn recovered a Tufts fumble and returned it 24 yards to the frosh 30 yard line. Boyle promptly raced around left end for ten yards. An offside penalty against Tufts and an end sweep by Sorota brought the ball to the nine. A loss of six yards and a facemask penalty on the same play put it on the seven. On the next attempt, Boyle made a fine catch of a Lentz pass in the right corner of the end zone. Newman again converted and the scoreboard read 14-0. In the second half, PA never really threatened. Its deepest drive was stalled at the freshmen 28 yard stripe.

Although several of his tosses were dropped, Lentz was on target all day long through the air. He connected on 11 of 29 passes for 192 yards. The PA running attack wasn't as devastating as in the past however, picking up only 69 yards. It was concentrated mostly around thrusts through the middle by Perkins and Sorota and an occasional end around by Snickenberger. PA picked up 14 first downs in the contest, as did Tufts.

Stalwart Defense

Andover's defense stopped many Tufts drives during the afternoon. On one occasion, the freshmen recovered a PA fumble deep in the visitor's territory. A seven yard dive play moved the ball to the ten. The defense pushed them back to the 15, where on fourth and eight, Tufts was stopped for no gain. The only other real scoring threat for the frosh came early in

the fourth quarter. Starting from their own 28, they put together seven running plays and two passes and were on PA's 20. The defense tightened up and held, forcing Tufts to give up the pigskin on the 16.

The Jumbettes ground out 173 yards on 46 rushes during the afternoon but found little success in the air. The Tufts signal caller threw for only 75 yards. He completed seven of 13.

Newman Stars

Jim Gillan and Newman consistently made fine tackles, while Bob McDonald and John Sheffield pounced on freshmen fumbles.

Coach Sorota stated he was pleased with the over-all performance of the team. Mistakes were made, he said, but the club improved with every quarter.

Missing Game

Missing from the lineup because of injuries were Captain Nick Leone, Todd O'Donnel, Jay Hughes, and Gordie Cheesman.

WILLIAMS EDGES FOOTBALL 7-0

Two Late Blue Drives Halted; Andover Hosts Lawrenceville

Saturday, October 4; Williamstown—In a hard fought battle, the Williams' freshmen edged Andover, 7-0. The frosh scored with six minutes remaining on a 29 yard sweep which capped a 60 yard drive following a PA fumble. The Williams' defense stood out as they stopped a PA drive on the three yard line in the closing minutes. Middle guard Jeff Hepburn headed PA's defense which halted Williams on three occasions deep in Andover's territory.

Williams Tallies

Midway through the final quarter, Williams tallied the game's only touchdown. Starting on their own 30 yard line, the frosh marched to PA's 25 yard line in nine plays as they were able to gain consistently both up the middle and around the ends. Then with first and 10 on the 29, a Williams halfback sprang loose on an end sweep and sprinted in for the winning points.

Blue Drive Halted

Following the Williams score, quarterback Doug Lentz got the Blue offense moving. Hitting Walt Snickenberger with three passes, the Blue advanced to the freshmen three-yard line with 3 minutes left in the game. An illegal motion penalty set the Blue back 5 yards and Leone, who had been PA's most consistent runner during the game, lost another 10 on a sweep. A Lentz to Snickenberger pass brought the Blue back to the 5, but Lentz's fourth down pass eluded Snickenberger and Williams took over on downs only to run out the clock.

PA Defense Strong

Jeff Hepburn led Andover's defense which made the crucial plays. In the first period, Williams advanced to the Andover two yard line where a fired up Andover front four dug in and forced the frosh back. Senior Bill Newman played his usual strong game at linebacker as he kept the frosh from breaking away for long gains on the ground. The defensive backfield prevented the Williams air attack from ever getting started as cornerback John Sheffield intercepted the first pass the Williams quarterback threw. Andover's defense, however, suffered since the Williams quarterback was consistently able to catch the PA squad off-balance and roll up yardage through the middle and around the ends.

Throughout the game, Williams kept tremendous pressure on Lentz as he did not complete any of the ten passes he threw in the first half. The spirited pursuit by the Williams defense stopped Andover's backs from breaking away for long gains.

Football Meets Larries

Andover's football team will open its 1919 home season Saturday against Lawrenceville Academy.
(Continued On Page Six)

Andover Football Opens Home Season Against Lawrenceville

(Continued From Page Five)

PA will be 1-1 entering the game, trying to rebound from its loss to Williams. Lawrenceville this season is 2-1, having defeated Germantown Academy, 46-8, and Williamston Trade, 33-6. The Larries dropped their opening game 15-14, to Penn Shorter.

Experienced Offense

Lawrenceville's complete offensive backfield returns from last year. They all lettered and played in the Larries 7-0 win over the Blue. Chris Sowers plays tailback, alternating with senior Tom Kent. The Larries' starting fullback is Brian Ball. Tony Layton starts at blocking back in the visitor's strong single wing offense, while returnee John Flood and prep Tom Ladado share the duties at wing-back.

Captain Tom Carter leads a stubborn Lawrenceville defense. Ladado, stars in the defensive secondary.

Coach Ken Kerffel of the visitors says there are no drastic changes from last year, but the team is much more experienced, sporting ten lettermen. "There are no real stars on the team, but

Walt Snickenberger snares a pass.

we're well balanced," he remarked. Kerffel himself was captain of Andover Coach Steve Sorota's first undefeated football team here in 1941.

Combining Lawrenceville's small but quick attack with Andover's large team, a good football game is in store for Saturday.

Nick Leone sweeps left during the second quarter. Leone was forced to sit out the entire second half.

Perkins Leads Andover With Two Scores; Leone Tallies Once, Hurt in Third Period

Saturday, Oct. 11; Andover — The Lawrenceville football team came from behind today to edge the Andover squad, 21-20. The Larries, who scored twice in the final period overcoming a seven point deficit, survived a touchdown on a 74 yard kickoff return by Romerio Perkins. The two point conversion attempt failed ending the scoring despite two late PA drives. Andover captain Nick Leone missed the second half with a leg injury.

Lawrenceville Scores Twice

Lawrenceville came from behind to score twice in the fourth quarter. With Andover ahead 14-7, the Blue fumbled on the Larries 30 yard line. A run moved the ball up ten yards. The Lawrenceville tailback then slipped through the Blue defense and caught a 60 yard bomb for a score. The run attempt for two points failed leaving the Blue ahead 14-13. Later, after Andover punted, Lawrenceville marched 61 yards to score on a one yard plunge. A reverse scored two points making it 21-14.

Perkins Scores

On the ensuing kickoff Romerio Perkins fielded the ball on the Blue 26 yard line and out-raced the Larries for the touchdown. A pass from Doug Lentz to Pete Sorota was completed but Sorota was dropped on the one foot line, making the score 21-20 with six minutes left. PA tried twice more to take the lead.

Lawrenceville Defense Holds

The Larries punted the ball to the Andover 20 after not being able to move. After driving deep in Lawrenceville territory, a Lentz pass was intercepted with two minutes left. The Larries began to move the ball. With less than a minute left, the center hiked the ball past the outstretched hands of the tailback in the shotgun formation. John Bushnell pounced on the fumble, giving Andover a first down on the Lawrenceville 25. Two incomplete passes and a fifteen yard penalty pushed the Blue back to the 44 yard line with 20 seconds left. On an end around Walt Snickenberger threw a desperation third down pass which was intercepted. Lawrenceville then ran out the clock to end the game.

Leone Scores First

Andover opened the scoring half way through the first quarter. Grinding out the yardage, Andover drove 59 yards in eleven plays with Nick Leone scoring from the one. Leone carried seven times in the drive, rushing for 50 yards. Bill Newman's kick was good to put the Blue in front, 7-0.

Lawrenceville took the kickoff and drove 85 yards to score at the beginning of the second quarter. Their big play was a 35 yard pass to the Blue three. Neither team seriously threatened as the half ended with John Sheffield intercepting his second pass of the season.

Blue Controls 3rd Quarter

Andover took the kick at the beginning of the second half and drove 84 yards for the score with Perkins going in from the one. During that drive Leone wrenched his knee and did not play again.

Statistically, the Blue beat Lawrenceville in all categories except passing, and the Blue ran 20 more plays than the Larries.

The defense was baffled at times by the single-wing attack and the Larries' sweep seemed unstoppable at times while they had no success running up the middle. The rushing was the strongest it has been this season, but the offensive line had troubles protecting Lentz, who was dropped for 41 yards. This loss puts Andover's record at 1-2.

Football Only Team to Beat Mt. Hermon

A spirited Andover defense was led by (from left to right) Tod O'Donnell 70, Lewy Green 40, Sam Walker 33, guard Jeff Hepburn and Peter Fox 86.

Andover Football Downs Mt. Hermon, Snickenberger Scores Five Blue TDs

Saturday, October 18; Mt. Hermon — Walter Snickenberger ran for a total of 148 yards and five touchdowns as he led the Andover football varsity to its second win in four outings, downing Mt. Hermon, 35-14. Romerio Perkins and Snickenberger paced a strong PA ground attack with 124 and 148 yards respectively. The Blue defense did the rest as it shut-out the Red in the last half, allowing only 59 yards on the ground.

Blue Capitalizes On Mistakes

Early in the first period, an inspired Blue defense came up with the first of its five fumble recoveries which set the scene for Walt Snickenberger's first of five touchdowns on a 14 yard sweep around end. Mt. Hermon then tied the score at 6-6 as Silver crashed through from the one in the opening minutes of the second period. PA's running game got moving as fullback Romerio Perkins smashed his way through

the Hermon line setting up the tie breaking touchdown by Snickenberger. Andover ended its scoring for the first half when Snickenberger followed his blockers around end from 20 yards out making the score, 21-6.

Mt. Hermon Tallies On Pass

With no time showing on the score board clock, Labr, Hermon's quarterback, went back to pass and found his receiver 16 yards away in the endzone for the final touchdown of the half. The two point conversion was good, and the gun sounded with PA on top of a slim 21-14 lead.

Blue Defense Blanks Red Offense

That was the last time that Mt. Hermon put points on the board, as the Andover defense came up with 3 fumbles in a row to halt Red drives deep in its own territory. The defensive line of Hughes, Hepburn, O'Donnel, McDonald, and Newman played its strongest game to date allowing the Hermon backs nothing on the ground. The offense continued to roll as Quarterback Doug Lentz stayed with his running game. He used Pete Sorota around the ends, and Perkins often found daylight

ough the middle. Walt Snickenberger, who was replacing injured fullback Nick Leone, ran for his fourth touchdown on an eight yard run through the middle. Another play by the beleaguered Hermon placed the offense in good field position for the final tally of the afternoon. Again it was Snickenberger crushing into the endzone. The point after was good and the Blue ended the scoring, 35-14.

Blue Football Downs Deerfield, 14-7 Snickenberger, Lentz Tally For PA

by ROB WAGNER

Saturday, Oct. 25; Andover-Doug Lentz's ten yard touchdown run with ten minutes remaining in the game carried PA's football team to a 14-7 victory over Deerfield today. Andover's defense was very strong throughout the game, dumping the visitor's signal-caller five times for a loss of 54 yards. PA's defense also recovered two fumbles and intercepted one pass.

Winning Touchdown

With two minutes left in the third quarter, the Blue took over on its own 39 yard line after a Deerfield punt. PA stayed strictly on the ground in this drive. Lentz chalked up a first down at mid-field on a quarterback sneak. After two unsuccessful dives by Walt Snickenberger, Lentz again got the first down on an end sweep. Two plays later, Snickenberger found a gaping hole on an end around and scampered 16 yards to the 21. From there, Pete Sorota and Snickenberger carried the ball to the ten yard line, where Lentz found paydirt on a keeper.

Andover's first score of the contest came with 5:45 left in the first quarter. After being held on its own 40 by a stubborn PA defense, the Green dropped back in punt formation. The snap from center went sailing over the punter's head however, and Bill Newman dropped the kicker, who had picked up the ball, back on the nine. On the first play from scrimmage for PA after this miscue, Snickenberger busted into the left side of Deerfield's line, evaded the tacklers, and ran for the touchdown. Bill Newman converted the extra point, and the scoreboard read 7-0.

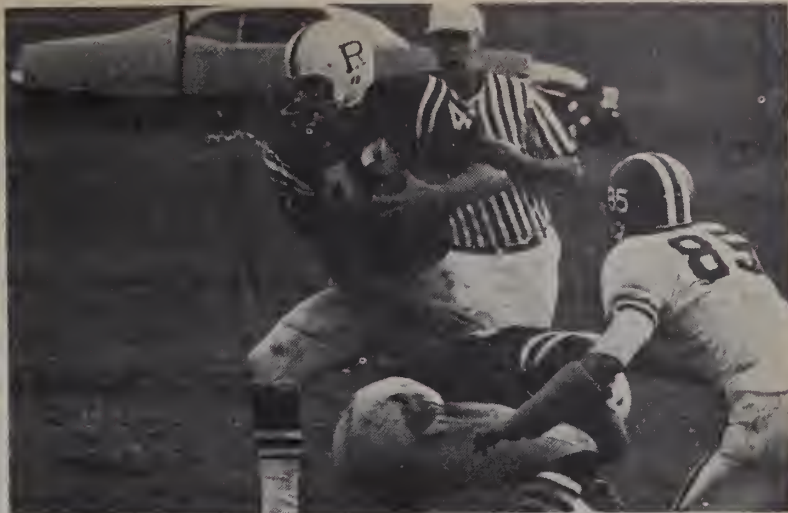

Lone Green Score

Late in the first half, Deerfield intercepted a Lentz pass on its own 30. On first down, quarterback Bob Keenan completed an 18 yard sideline pass. After an incomplete pass, Kennan again found the range on a screen pass. A 12 yard dive play by Rich Lincoln then gave the visitors a first down on Andover's 15. Keenan promptly fired a touchdown strike at Lincoln. Chuck Londraville converted to tie the game.

Andover Threatens

The closest threat Andover had in the game aside from their score was to the visitors' 13 yard stripe. It began the drive on its own 37 yard line. A five yard

dive by Sorota and a Lentz keeper gave PA a first down in the Deerfield's territory. Two straight completions to Sorota moved PA to the 13. On first down, Sorota rammed into the line, the ball squirted out of his grasp and a Deerfield linebacker pounced on it.

Second Quarter

In the second period PA threatened again. Steve Sherrill recovered a fumble on Andover's 16 yard line. Eight straight running plays advanced the Blue to its

own 45. On a crucial third down situation, Lentz lofted a pass deep to Pete Fox, who hauled it in and went the rest of the way untouched. The play was called back on account of a personal foul against the Blue.

Statistics

On paper, the game was even. Deerfield totaled 262 yards, while PA had 259. Andover rushed for 171 yards, Snickenberger leading the way with 72. Lentz was consistent through the air, hitting on nine of 13 tosses for 78 yards.

QB Curran, Sorota Spark PA Offense; Strong Defense Leads Blue to 4th Win

by DOUG BUXTON

Saturday, November 1; Andover — A fine defensive performance by PA's secondary and costly mistakes by the Green offense enabled Andover to post its fourth victory in six starts over the Dartmouth freshman B squad, 20-12. A strong running game paced by fullback Romerio Perkins and a fine back-up job by Scot Curran at quarterback helped the offense move against a stubborn Dartmouth defensive line. Peter Sorota scored two touchdowns to lead Andover in scoring.

Sorota Scores Winning Touchdown

A fumble recovery early in the third quarter set the scene for the winning touchdown. With the score at 12-6, Scot Curran took over on the Green 23 and with the successful running of Perkins he drove down to the endzone. Pete Sorota finally went over from one yard out for the score. The conversion by Bill Newman gave Andover the lead for the rest of the game, 13-12.

Andover Scores Early

A 60 yard run from scrimmage by Perkins and a key third down reception by Bob Carrington gave Andover fine field position on the Green 15. Two plays later from the one, halfback Pete Sorota hurdled into the endzone for the touchdown. The extra point was blocked and the first period ended with Andover ahead, 6-0. Dartmouth tied the game early in the second period on an 80 yard punt return.

Green Leads At Half

After a tremendous goal line stand by the Andover defense, Dartmouth forced the faltering PA offense to relinquish the ball deep in Blue territory. Again Dartmouth found itself with good field position on the Blue 43. And with less than two minutes showing till halftime, the Dartmouth quarterback threw a twelve yard pass to his left end who was all-alone in the endzone. Again the extra point attempt failed and the half ended with Dartmouth ahead 12-6. On the first few plays of the second half Andover's starting quarterback, Doug Lentz, sustained a slight concussion and was replaced by senior Scot Curran.

Andover's final touchdown was set up by a Snickenberger interception deep in enemy territory. Again it was a four year man, Scott Curran, leading the Blue to the end-zone with an 18 yard pass to end Bob Carrington.

Defense

Jay Hughes and Bill Newman combined to put a tremendous pass rush on the Dartmouth quarterback and in effect, stall the frosh air attack. The defensive line also was largely responsible for halting the Dartmouth ground game. Cornerbacks Sam Walker and Jim Garret smothered the Dartmouth receivers and provided a tough defense against the sweep and screen. Now, the Andover-Exeter game...

Blue Football Trounces Winless Exeter, 27-0; Second PA Victory Over Red In Three Years

by ROB WAGNER

Saturday, Nov. 8; Exeter—A stubborn defense and explosive offense carried Andover's football team to an impressive 27-0 triumph over Exeter today. Captain Nick Leone led the PA offense with two scores, one on a 77 yard run, and 158 yards rushing. Romerio Perkins and Pete Sorota scored the other Blue touchdowns. The fired-up defense allowed Exeter 194 total yards, only 81 coming on the ground. Andover now leads Exeter 45-35-8 in the series dating back to 1878, racking up their first A-E shutout since 1952.

Andover Touchdowns

PA scored the first time they had the ball and went on to tally in each quarter. Starting the game, Romerio Perkins returned the kickoff 25 yards to the midfield stripe. On first down, Nick Leone picked up three yards. Two thrusts up the middle gave PA a first down on the 39 yard line. Three more running plays by Pete Sorota and Perkins moved the visitors to the 15. From there, on second down, Perkins hit off tackle, slid to the outside and raced into the end zone. Bill Newman converted and Andover was in front to stay, 7-0.

With 5:08 remaining in the first half, PA padded their lead. The drive began on Exeter's 39 yard stripe after a punt return by Walt Snickenberger. Staying strictly on the ground, PA found paydirt in four plays. A three yard gain was followed by a Pete Sorota sweep good for 16. From the 20 yard line, Sorota scampered up the middle to the two yard mark. Leone followed with a dive good for the score. Newman kicked the extra point. At halftime, PA led, 14-0.

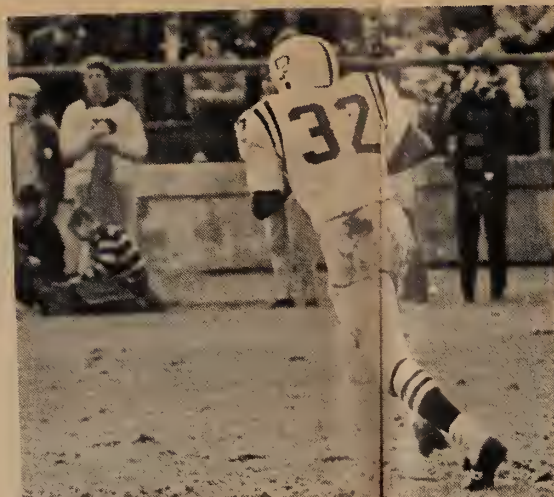

Second Half

After returning the opening kickoff of the second half to the Andover 28, PA started to move again. An illegal motion penalty set Andover back five yards. On a first and fifteen situation,

Defensive end Bill Newman tackles an Exie ballcarrier, helping Andover defeat a hapless Exeter squad 27-0.

(Continued from Page One)

Leone took the handoff from quarterback Doug Lentz, sprinted around left end evading the tacklers, and electrified the crowd with a 77 yard touchdown run. Newman's kick again split the uprights and Andover was in command, 21-0.

Andover's fourth and final touchdown came as a result of fine defensive play. With the ball on their own 15, Exeter tried a dive play and fumbled after two yards. Dennis Lombardo recovered the ball for PA. On first down Leone found no running room. Sorota then took over and after three carries hit the endzone. A three yard burst up the middle scored the touchdown. The extra point failed after a bad hike, and the game ended in Andover's favor, 27-0.

Exeter's Deepest Penetration

Exeter's deepest penetration of the game came the last time it had possession of the ball. Starting on their own 27 yard mark, the Exies put together a sustained drive of six running and five passing plays, moving to PA's 20. However, a fourth down desper-

ation pass by Peter Mackey fell untouched to the ground, and the Blue took over.

Defense Shines

Andover's defense played well throughout the game, blanking the Red for the first time in 17 years. The defensive line of Newman, Jay Hughes, Bob McDonald, Jeff Hepburn, and Bill Enright dumped the Exeter signal-caller four times trying to pass. PA's defensive secondary intercepted two passes, one by Sam Walker and the other by Steve Sherrill. Todd O'Donnell and Lombardo recovered Exeter's two fumbles. Lombardo also came up with the defensive play of the game. In the third period, coming out of his cornerback position, he made an openfield tackle to protect the shutout.

The performances of Lentz, Leone and Perkins are especially outstanding since all three were returning from previous injuries. Perkins suffered a twisted ankle against Dartmouth while Lentz was out of action via a concussion.

The offensive line of John Bushnell, Steve Marshall, Blair Kitching, Todd O'Donnell, and Maurice Costin consistently opened gaping

holes for the PA backs, letting them pile up their largest rushing output of the year.

Statistically, the Blue completely outplayed Exeter. Andover tallied 398 yards, compared to 194 for the home team. Andover ran for 350 yards, Leone leading the way with 158. Perkins and Sorota finished their PA football careers with 99 and 80, respectively. Passing, Lentz hit two of eight for 48 yards, with no interceptions, Exeter was eight out of 19 for 113 yards with two intercepted. Andover reeled off 68 offensive plays in the contest, to Exeter's 56. The only weak point of the game for PA was penalties, the Blue accumulating 100 penalty yards.

With this win, PA finishes a fine season at 5-2. Exeter, on the other hand, ends a dismal year at 0-7.

Offense, Halfbacks, Depth Spark Blue Soccer As Rynne Leads Ten Returning PA Lettermen

Led by captain and two year letterman Elmer Rynne, Andover's soccer team looms as a major threat to dethrone reigning New England Champions Deerfield. Nine returning lettermen give the Blue experience and depth, the lack of which has plagued the Blue for the past several years. Four returning halfbacks look to be Andover's strongest point. The development of the defense remains the key to a successful season.

Rynne Sparks Attack

Rynne, who tied for high scoring honors this fall, heads an offense of five lettermen which will have to score more often than last year when the Blue lost three one goal decisions. Rynne's speed and foot make him the prime scoring threat of PA's front three. Last year, Rynne scored the winning goal in the final minutes against Lexington and also accounted for PA's only score against the Harvard Frosh. Returnees Tom Wattles, John Moon, Cobber Eccles, John Deming and Ken Beilstein give the Blue a more balanced attack than it saw last year. In particular, Beilstein should set up Rynne scores often with his accurate passes and crosses which earned him five assists last fall.

Returning halfbacks Norm Selby and Jim Shea look to be the strongest part of the team. Primarily they should become an aggressive defensive unit but will also have the responsibility of getting the ball up to Rynne and the offense. Between themselves, they hold five years of varsity experience and Shea and Shelby started every game last fall.

Inexperience Plagues Defense

The defense is untried and stands as the major question mark for the Blue. Shadowed by the

standout pair of Bro and Kitteridge, John Sibal, Mark Baldwin, and Jon Michaels saw only limited action and are largely inexperienced against Harvard caliber competition. All three lack the physical size of Bro and Kitteridge and therefore will have to rely on outmaneuvering rather than overpowering the opposing offense. Baldwin started PA's first game last year, but sat out the next four due to an ankle injury. After Kitterage was hurt, Sibal played in several games.

Goalie Chip Boynton returns from last year's team but is relatively untested in game conditions.

Schedule

During the past years Andover has been hindered by a lack of early practices and a rugged early schedule. This year is no exception. The Blue opens its schedule on September 27 against the Yale frosh then within the next week plays Governor Dummer and

travels to Dartmouth to play a team the Blue has not beaten in five seasons. The early practice session may solve the practice and conditioning problems of Andover. But the key to Andover's winning the New England Championship lies in the performance of the experienced attackmen and halfbacks and the strengthening of the defense.

Andover Soccer Posts Upset Win Over Yale; Rynne Scores Two Goals, Selby Stops Clark

Captain Elmer Rynne powers his way downfield against the Yale frosh.

by MATT RUETER

Saturday, Sept. 27; Andover— Andover soccer posted a thrilling 3-0 upset in the season opener over the Yale frosh today. Captain Elmer Rynne sparked the attack with two goals and Norm Selby was the mainstay of the defense as he constantly thwarted last year's PA captain, John Clark. Chip Boynton complemented Selby's play with many fine saves in the net, racking up his first varsity shut-out.

PA Catches Fire

After a scoreless first half, PA picked up momentum and gained control early in the third quarter. With only a few minutes gone in the third period, Rynne slipped

through the defense and rifled the ball past the goalie to give PA a 1-0 lead. The PA defense came alive, and led by Selby, held off the Yale attack to hold the lead going into the last quarter.

Rynne opened the fourth period by drilling one past the committed Yale goalie for Andover's second goal. John Moon rounded out the scoring five minutes later as he slipped a shot past Joe McGhee, a graduate of last year's squad, who had taken over in the Yale nets. From that point on, PA held its three goal lead for a big win. Lower starter Harland Chun played well assisting on one of Rynne's goals.

Yale kicked-off to start the

game, and for the first few minutes it looked as though the PA defense was going to have trouble containing the Yale forwards. After a few unsuccessful attempts the defense cleared the ball, and PA began to apply pressure on the Yale backs.

With five minutes gone in the first period the Blue powered the ball towards the goal. The goalie dove for the ball, but before he could gain control, Rynne dug the ball loose and fired on an apparently empty goal. Somehow a Yale back blocked the shot. An alert John Moon drilled the rebound to the far corner but the quick goalie was just able to tip it out. Amid the confusion which followed in front of the net, it appeared to the team and its supporters that PA had scored. Unfortunately the referees disagreed. However this served as much as anything to fire up the Blue and to give them the confidence and drive needed to overcome a very talented Yale team.

Scoreless Half

From that point on PA played even ball with the freshmen. Both defenses seemed to have trouble clearing but neither team could capitalize; Yale missed an open net on numerous occasions. Both goalies found themselves under constant pressure. PA goalie, Chip Boynton, kept Andover alive with many tremendous stops as he played an excellent game in the nets. The Yale goalie constantly found PA forwards coming in on break-ways. Both goalies withstood the pressure setting the stage for a Blue explosion in the second half.

Soccer Meets GDA

Today, Andover's soccer team plays the Governor Dummer varsity at South Byfield, Mass. Last year, the Blue nipped GDA, 1-0, and one can expect a similarly hard fought game this year. Both squads boast a number of returnees from last year.

Eleven Lettermen

The Dummers have sixteen returnees including eleven lettermen. The most notable of these are co-captains Steve Butler, who started at goalie the last half of the season, and halfback Frank Chase. In their only game thus far this season, the Chief Executives lost to Exeter, 3-0.

This game is Andover's first prep school encounter.

Blue Soccer Explodes For 4-0 Win Over GDA; Dartmouth Frosh Hands Blue First Defeat, 1-0

Wednesday, October 1; Gov. Dummer—Led by forward John Moon and halfback Jim Shea the Blue took their second victory by taking Governor Dummer 4-0, Harland Chun, Tom Wattles and Moon led the offensive attack as they each scored their goals only three minutes apart in the fourth quarter. Jim Shea added to the scoring thrust by placing a kick high into the nets for the first goal halfway through the third quarter.

Final Quarter

Taking advantage of its one goal lead, the Blue broadened this margin when lower Harland Chun led a fourth quarter drive by scoring on a cross with 4:28 gone in the quarter. Three minutes later the Blue capitalized on this lead when center forward Moon regained control of the ball, eluded the oncoming fullbacks and fired into the nets for the third goal.

Soon afterwards Andover's right inside, Tom Wattles, rounded out the scoring when he gained possession of the ball inside the Dummer's defense, then scored on a powerful kick to make the final score 4-0.

After a scoreless first half the Blue changed from a 4-3-3 defense to a 5-3-2 set-up to strengthen the mid field, the part of the game GDA had dominated in the first half. The PA offense came alive as halfback Jim Shea dribbled his way through the Dummer defense and shot from inside the goal area

to score the Blue's first goal on a high kick.

First Half

The first half was dominated by the Dummer offense as it took advantage of the Blue's weak mid-field to put the pressure on Andover's defense. John Sibal did a fantastic job of checking the Dummer offense and setting up the Blue's offensive thrust.

Saturday, October 4; Hanover, N.H.—For the sixth time in as many years, the Dartmouth freshmen soccer team subdued the Andover varsity by a one goal margin. The hard-fought, 1-0 contest was not decided until midway through the fourth period, when a Dartmouth forward scored to end Chip Boynton's unscored upon streak at eleven periods.

With play deep in the Andover end, a Dartmouth inside fired on the goal. Boynton lunged for the ball but it slipped by his hands and rebounded off the post. An alert Indian forward picked up the ball in front of the net and pushed it past the scrambling PA goalie for

the game winner.

Andover had several chances to score. Twice, Elmer Rynne, playing his usual fine game, headed the ball at the goal. The first attempt was blocked as the Dartmouth goalie dove back and was just able to grab the ball as it rolled behind him. On the second, a Dartmouth back barely tipped the ball wide as the goalie was out of the play.

PA came up against a rugged and well-drilled defense which prevented Andover's potential scorers from netting any goals. Andover's main problem was the inability to keep the ball under control. Time and time again the Indian defense broke up PA offensive play as Andover passed the ball away.

Blue Plays Well

However, PA should be proud of the score as Dartmouth was clearly the stronger team. Andover outthustled the frosh and even after the Dartmouth goal, they were determined not to let up. As a result the Dartmouth goalie was under pressure for the whole fourth quarter.

Wednesday, Oct. 8; Andover— Blue soccer captured its third victory of the season as they won their second home game in a 3-2 victory over Medford High School. The Blue controlled most of the play as the ball remained on the Medford side through most of the game. Captain Elmer Rynne sparked the Andover attack scoring two goals for the Blue. Upper Peter Sachs rounded out the score with a goal in the fourth quarter.

Second Half

The first half ended with PA in front 1-0, and the Blue held the lead until late in the third period. Then Medford tied the score at one on a corner kick when the ball bounced off the opposing center forwards' back into the Blue goal. The Blue picked up momentum in the fourth quarter. They obtained the ball outside Medford's goal area when a pushing penalty was called on a Medford fullback. Shooting on an indirect kick, half-back Tony Carroll crossed the ball to the center of the Blue line where forward Elmer Rynne drilled the ball into the nets for Andover's second goal. Two minutes later, the Blue again regained control of the ball. Upper Kevin O'Brien centered the ball, and Peter Sachs headed it in for Andover's third goal.

Medford Goal

The action then shifted to the other side of the field, and Andover was called for a questionable penalty inside its goal area. Taking advantage of the direct kick, Medford shot the ball past goalie Chip Boynton, for its second goal.

Boynton Posts Third Shutout As Rynne Paces Blue Offense

Senior wing John Deming centers the ball against Medford High.

Saturday, Oct. 11; Andover— With only one second remaining in the third period against Lincoln-Sudbury, Elmer Rynne drove home his fifth goal of the season to give Andover soccer a 1-0 victory and its fourth win in five outings. Again goalie Chip Boynton was tremendous in the nets as he came up with a couple of brilliant saves en route to his third shut-out in five games.

One-second Victory

As the clock came onto the field, denoting only thirty seconds to play, inside Tom Wattles picked up a loose ball about fifty feet in front of the net. With the crowd screaming for him to get a shot off, Wattles passed to Rynne, who was breaking down the left side. Thirty feet from the goal, Rynne let go a hard grounder that deflected off the far post and rebounded into the goal. The ball bounced across the line and as it hit the nets on the opposite side, the horn sounded ending the third period of play. That was all Andover needed in the way of scoring as the defense took over from there.

Halfbacks Norm Selby and Jim Shea and fullbacks John Sibal and John Roher continually stalled the Warriors' attack. Time and again the Warriors showed good teamwork in getting the ball into the PA zone, but except for few lapses the Blue defense proved to be too much for the Warriors and cleared the ball with no problem.

Third Shut-out

One of those lapses came with less than a minute to go in the game. A Lincoln-Sudbury forward punched the ball on the ground towards the PA goal. Boynton sunk to his knees to block the shot. However, before the ball reached the goal it was deflected up into the air. Boynton seeing the ball rise, jumped off his knees and deflected the ball over the crossbar, assuring PA of another shutout.

Despite the absence of Captain Elmer Rynne, Andover's soccer team won its fifth game of the year today, 3-1 over Lexington High. Scoring for Andover in the game were John Moon with two goals, and Kevin O'Brien.

Winning Goal

Early in the third quarter, O'Brien kicked in what proved to be the winning goal of the contest. After blocking a Lexington shot, Andover goalie Chip Boynton boot-ed the ball to the halfway point of the field where Tom Wattles received it. Wattles then passed to O'Brien, who had slipped behind the Lexington defense. O'Brien beat the goalie to the ball and lined the ball into the nets, giving Andover a decisive 2-1 margin.

Andover's first goal of the contest came five minutes in the first quarter. Norm Selby threw the ball in to Wattles, who headed it right at Moon in front of Lexington's goal. Moon's strong foot took care of the rest as he shot the ball into the nets for a score.

With over eight minutes remaining in the game, Andover added an insurance goal. After Lexington was called for elbowing inside the penalty box, Moon fired home the ensuing penalty kick.

Blue Teams to Meet Mt. Hermon

Andover's football team, sporting a 1-2 record, will travel to Mt. Hermon Saturday. PA will be trying to break a two game losing streak. Mt. Hermon has a record of 2-0. They defeated the Tufts freshmen 13-12, and trounced Exeter 27-8.

Returning Lettermen

Mt. Hermon boasts seven returning lettermen in their starting lineup. Letterman Daryl Silvers starts at fullback for the Hermies. He scored two touchdowns against the Red. Speedy Cornell Hill and Doug Smith, both returnees, do the duties in the halfback slots. Senior prep Steve Lahr quarterbacks the team. Letterman Tom Scott and senior prep Jeff Bone flank the ends of Mt. Hermon's formation.

A big Hermie line is bolstered by Captain Mark Carter at center. Andy Perry and Ron Landry are the tackles in the lineup. These men have given signal-caller Lahr plenty of time when he's thrown this year. Eight men go both ways for Mt. Hermon.

Lack of Depth

Coach Piscoskis of the Hermies says his team is very well balanced this year. He remarked "We have a very balanced attack, not relying on either passing or running." Piscoskis stated his team's big problem is a lack of depth. Mt. Hermon has limited bench strength.

Hermies Host PA Football; Blue Soccer, Harriers Compete at Home

The Andover cross-country team will meet a strong Mt. Hermon squad this Saturday at Andover. PA has a 1-1 record in dual meets so far this year and will seek to avenge last year's 20-35 loss to the Hermies.

The visitors have three runners returning from last year's varsity. They are John Nobles, John Hargreave and Dave Eldridge who run in the two, three and four positions respectively. The Hermies' number one man is Bill Hallagher, a senior prep. The top three runners have very close times while the team on the whole is running well. In its first meet, Mt. Hermon defeated Vermont Academy, 18-42.

PA Improves

Though Andover lacks the superstar it has had in the past few years, the Blue has been coming on strong and now has five runners who have broken fourteen minutes on the 2.5 mile Andover home course. Stan Carson, Ernie Lange, Ed Esteves, Bruce Wolf and Doug Wham all ran very well against UNH last Saturday.

Andover will have a very important home course advantage on Saturday and PA's depth should pay off with a prep school win.

Andover soccer, sporting a fine 4-1 record, will meet a good Mt. Hermon team at home this Saturday. Mt. Hermon has won two and lost one, including a 2-1 overtime victory over Exeter and a 1-0 loss to St. Pauls. Last year the Hermies beat PA 4-3.

Six linemen and two halfbacks return from last year to bolster the Mt. Hermon attack, while one prep and players up from the JV round out the Mt. Hermon squad. The linemen include co-captains Owen Stull and Murle Chute. Stull, the centerforward, will miss Saturday's game due to an injury.

Mt. Hermon relies on a strong team effort to win as the squad lacks a high scoring superstar. Looking ahead to Saturday's game, Coach Dale Conly has said that Mt. Hermon "must work together to overcome Andover. We did against a superior Exeter team and won".

Captain Elmer Rynne leads Andover booters with five goals, followed by John Moon with two, and Jim Shea, Peter Sachs, Tom Wattles, and Harland Chun each with one.

PA has outscored the opposition 11-3, with goalie Chip Boynton racking up three shutouts for Andover along the way and has played consistently well while under pressure.

Forwards Kevin O'Brien and Elmer Rynne converge on the goal.

Mt. Hermon Soccer Defeats Andover, 1-0 on Fourth Quarter Score to Hand PA First Prep School Defeat

Saturday, October 18; Andover —Scoring with two minutes remaining in the game, Mt. Hermon's soccer team shut-out Andover today, 1-0. The Blue had trouble controlling the ball in the contest and rarely had shots on the visitor's goal. With the ball in Andover's end of the field for most of the game, Chip Boynton was forced to make many saves since Mount Hermon put tremendous pressure on PA's defense throughout the game. This loss considerably dampens Andover's hope for New England Championship. To remain in the running PA must go undefeated for the rest of the season against prep competition.

Mt. Hermon's Goal

Late in the fourth quarter, with play deep in PA's end of the field, Mt. Hermon's left wing gained control of the ball at the end line. He lofted a cross to the front of the goal where a Hermie inside rifled the ball past Boynton.

From the outset of the game, Mt. Hermon's offense controlled play. In the first period with a strong wind at its back, Mt. Hermon kept constant pressure on the defense and Boynton. Andover, on the other hand, got off just three shots at the visitor's goalie in this period. Even though PA had the wind advantage in the second quarter, the play was no different. Mt. Hermon continued its domination, displaying great teamwork in its passing.

When Andover's ineffective offense continued in the second half, the pressure was on the defense to halt the Red and get an attack started. Fullbacks John Sibal and Paul Finn consistently cleared the ball, but Hermon would steal it away from the offense and return to the Andover zone.

The loss to Mt. Hermon dampens Andover's hopes of a New England championship. PA can still clinch at least a tie for the crown, but it must win its remaining prep school games which include Deerfield, Exeter, and St. Paul's. If Andover can win these three prep school games and if Deerfield turns back the Hermies, PA stands a good chance of capturing the championship.

Wednesday, Oct. 22; Andover-
Led by captain Elmer Rynne, Blue soccer rose from last week's defeat to Mt. Hermon by downing St. Paul's 3-2 on a third period drive led by Cobb Eccles and Rynne.

Third Period Drive

With 8:30 gone in the third period and SPS leading, inside Eccles picked up the ball from a halfback cross. He dribbled his way past St. Paul's defense and drilled the ball into the nets for what was to be the first of three PA goals in nine minutes. The Blue gained momentum when an Andover fullback placed a long kick down to the St. Paul's goal, where Rynne headed the ball over the goalie for Andover's second goal. Playing at center forward, Rynne then rounded out the PA scoring when he gained possession of the ball inside the Paulies' defense, and tallied on a hard kick which barely escaped the St. Paul's goalie.

Paulies Narrow Blue Lead

With play deep in the Blue half, Andover was called for a penalty outside the penalty box. Taking advantage of the indirect kick, the St. Paul's center forward pushed the ball to the left wing who lobbed it high in the nets.

Slow Half

Although Andover continuously outplayed St. Paul's in the first half, it was unable to score as the majority of its shots at St. Paul's nets consistently bounced off the goal posts. The Blue were able to keep play in the St. Paul's half for most of the first two periods; however, St. Paul's would occasionally attain the ball and make desperate attempts to move towards the Blue goal. With forty-five seconds remaining in the first half St. Paul's picked up the ball on a goal kick and moved it all the way past the Andover defense where it was able to score on a cross from the left wing.

Neither team was able to score again and the final score stood at 3-2. By defeating St. Paul's, the Blue were able to redeem themselves from their loss to Mt. Hermon, since St. Paul's downed the Hermies 1-0.

DEERFIELD

by MATT RUETER

Saturday, Oct. 25; Deerfield—

Behind goalie Chip Boynton, the Andover defense put on another strong showing as it shut out the defending New England prep school soccer champions from Deerfield. However, with the PA offense having trouble getting untracked, the Blue and the Green battled through the four regulation periods and two five minute overtime stanzas, only to finish in a scoreless deadlock.

With less than two minutes gone in the first period, Andover forced play into the mouth of the Deerfield goal. As the ball bounced loose in front of the open goal, Harland Chun tried to tip it into the nets. Chun, however, had trouble gaining control of the ball giving the Deerfield goalie time to scramble back and cover the play. On two other occasions Chun had almost the same type of opportunity. One of these came halfway through the second overtime period. Again Chun had the ball just feet from the goal but, being bothered by a Deerie fullback, he could not get the shot off. Andover had other chances too, as twice Rynne brought the ball down the left wing only to lose control when he closed in on the goal.

Deerfield also had its fair share

of scoring chances. The Green stole the ball after the opening kick-off of the initial overtime period. A long pass sent Deerie captain Dave Meiyer racing down right wing with the ball.

Meiyer dodged halfback Heidrich and drove past him towards the goal. Twenty yards away he let go a low liner. Chip Boynton reacted quickly and got in front of the drive to deny Deerfield of a goal. This was not the only opportunity for the Green, as throughout the game it was able to force play deep into the PA end only to be frustrated every time by the highly touted Andover defense.

Fourth Shut-Out

This marked Boynton's fourth shut-out in nine games. In those nine games he has allowed only seven goals for a goals against average of .78. With seventeen goals, PA's average is 1.89 goals per game. Andover has, however, been shut-out three times, resulting in their only two losses and a tie.

Blue Overwhelms MIT, 7-0, For Fifth Shutout; Crimson Hands Andover Soccer Third Loss

Saturday, Nov. 1; Andover—Elmer Rynne and John Moon scored two goals a piece as Andover's soccer team demolished the MIT frosh, 7-0. With the ball in MIT's end of the field for most of the game, PA dominated the game both offensively and defensively and kept continuous pressure on the MIT goalie.

Blue Tally Three in First Half

With only one minute gone in the first quarter, Elmer Rynne scored his tenth goal of the season to pace Andover to its fifth shutout. Receiving the ball from John Deming, Rynne dribbled his way past an MIT fullback and fired the ball into the nets for Andover's first goal. Five minutes later, the Blue regained momentum when halfback Bob Martinez kicked the ball up the field where Rynne gained possession of it and tallied on a high kick into the nets.

Later in the period, the Blue gained possession of the ball outside the MIT goal when Rynne received a long pass from the defense. Rynne fired into the nets, but the ball deflected off the goalie. Right wing Evan Livada picked up the scrambling ball and fired it into the nets for Andover's third goal.

Moon Highlights

Andover opened the second half

where the first half left off as John Moon scored two goals only five minutes apart. The first goal came when Moon received a pass from wing John Deming. Moon slipped his way through the MIT defense and rifled the ball past the goalie to give PA a 4-0 lead. A few minutes later Moon gained possession of the ball halfway down the field. He dribbled his way through the opposing fullbacks and fired the ball into the MIT nets.

Shea Leads Defense

Taking advantage of a comfortable lead, the Blue defense smothered the MIT line. Halfbacks Norm Selby and Jim "Iron Duke" Shea controlled play in the midfield area and halted any attempts by the MIT defense to clear the ball. This game marked the twenty-second time over the past two years Shea has played all four quarters without substitution.

Harvard

Wednesday, Oct. 29; Cambridge—Exploding for three goals in the second half, the Harvard frosh swamped the Andover soccer team, 4-1. Harvard's experience proved to be too much for the Blue, as Andover never controlled play.

Early in the third quarter, with the score tied at one, a Crimson inside put Harvard ahead to stay, scoring on a corner kick. Harvard then added two more in the fourth period, its final coming with a little over three minutes remaining, to put the game out of reach.

All of Harvard's goals came after captain Elmer Rynne had given Andover a quick 1-0 lead in the first period. After only two minutes of play, halfback Grant Heidrich sent Rynne in on a break away. Rynne drove past the Crimson's right fullback, and from just outside the penalty box, he punched the ball past the Crimson goalie into the far corner. Andover's lead was short-lived, however, as Harvard came back only minutes later to tie the score. The half ended in a tie, setting the stage for Harvard's three goal outburst.

Harvard Shows Finesse

For the first time this season Andover faced an opponent who clearly outclassed the Blue. Andover was forced to spend most of the afternoon fighting off the Harvard thrusts. The defense did a good job in stalling the Harvards, but the finesse of the Crimson freshmen was too much to control. Harvard employed a short passing game, a hard game to defend against if played well, and Harvard played it well.

Blue Soccer to Meet Exeter; Both Squads Evenly Matched

Today Andover will be going up against Exeter soccer team. The game should turn out to be a most exciting contest, since both teams enter the game with equally impressive records. Andover boasts a 7-3-1 record while Exeter's slate is 4-6.

Leading the Red is its goalie, captain Steve Connelly. Connelly has been consistent all year boasting shutouts against St. Paul's, Governor Dummer and Dartmouth Frosh. In prep competition Connelly has given up just six goals in six games. He is aided by fullback Don Hawley, who is in his third year as a letterman. At the halfback spots the Exies boast three returning lettermen in right halfback Will Rawson, center halfback Peter Hogland, and left halfback Peter Winant, who has been on the team for three years.

Jim Shea will guard Exeter's top man.

Mark Baldwin heads the ball.

Scoring Potential

The leading scorer so far this year has been center forward Mike Baldeh from Gambia. Baldeh has scored eleven times this year accounting for more than half of Exeter's total goals.

The only weak spot that the team seems to have is at the wing positions. Senior Rich Rawson is the only returning letterman at this position.

Against the common opponents that both teams have played, Exeter is 2-3 while Andover is 2-2-1. The Red beat Governor Dummer 3-0, lost in a squeaker to Mount Hermon 2-1, shut out St. Paul's 1-0, lost to Deerfield 1-0, were routed by the Harvard Freshmen 4-0 and went scoreless against Dartmouth Frosh 0-0. The Blue downed Governor Dummer turned back St. Paul's 3-2, tied Deerfield 0-0, lost to the Harvard Frosh 4-1.

Weakness

The Exeter coach said that the team's greatest weakness has been in the scoring department. They have been able to muster only 18 goals in eleven games.

If Chip Boynton can continue his phenomenal goal tending, if Rynne and Moon can penetrate the Red defense and if halfbacks Selby and Shea once again turn in superlative efforts, Andover should be able to pull away with a victory.

Exeter Tips Andover Soccer in Overtime, 2-1; Strong PEA Defense Overwhelms Blue Attack

Soccer Captain Elmer Rynne drills the ball toward the Exeter goal.

by MATT RUETER

Wednesday, Nov. 5; Andover—

With just over three minutes remaining in the second overtime period, left wing Chris Cosby scored to give Exeter a 2-1 victory over Andover, capturing its fifth A-E win in six years. The game was played in a steady rain and on a muddy field, making it hard for the goalies to hold on to the ball.

Exeter tied the score late in the fourth period to send the game into overtime, after upper Evan Livada had put Andover ahead with his second goal of the season midway through the second period. 6-6.

After the first overtime period

produced no scores, the Blue took the field determined to score the tie breaker. The fired up Andover team applied tremendous pressure on the Exie goalie but could not tally. With about three minutes left, the Red defense managed to clear the ball to its forward line. The PA defense got back and broke up the play forcing a corner-kick. Cosby took the kick and placed it on the ground in front of the PA goal. Boynton dove for the slippery ball but failed to hang on, and it trickled into the nets for Exeter's final goal. Andover fought back and controlled play for the remainder of the game, but the PEA defense broke up all PA scoring drives.

The opening minute of play was a hectic one as Exeter kept the ball in the Andover zone. The Blue finally got untracked and began to dominate play. Throughout the first period Andover pressed the Red defense but could not find the range.

The Blue opened the second period of play in the same fashion as they had ended the first. With the help of halfbacks Jim Shea, Norm Selby, Grant Heidrich, and Bob Martinez, who subbed for the injured Heidrich, Andover seldom allowed Exeter to force play much farther back than the midfield stripe. After gaining control of the play, the halfbacks would send the ball back into the Exeter zone. On one of these occasions, Shea sent the PA line racing in on the Exie goal. Andover fired on goal, and as the ball rebounded out to the right wing, Livada raced in and poked it into the Red goal to give Andover a 1-0 lead.

Andover continued its domination until late in the fourth quarter. Fullbacks John Sibal and Mark Baldwin were instrumental in stopping the Exie drives. But with three minutes left in the game PA could not clear a bouncing ball from in front of the goal. Exeter's strong lineman from Gambia, Mark Balden, tipped it into the nets, tying up the game and depriving Andover of a well-deserved victory.

Soccer Finishes 7-4-1 Season; Boynton, Rynne Lead Andover

Boasting a strong defense but an inconsistent offense, Andover soccer ended the season with a 7-4-1 record. Of Andover's four losses, three were by a one goal margin and PA's opponents scored more than two goals in only one of Andover's defeats. In prep school competition, Andover posted a 2-2-1 mark. PA's other two losses came at the hands of college freshmen teams.

Rynne, Moon Lead Scoring

Captain Elmer Rynne paced the Blue scoring attack with ten goals spread through seven games. In

John Sibal anchored the PA defense.

those seven encounters, he scored the game winner four times. His most crucial goal came with one second left in the third period against Lincoln-Sudbury. PA won, 1-0. Although bothered by an injured leg, Rynne bedazzled opposing defensemen with his dribbling and aggressive play, setting up many Blue scores. Upper John Moon complemented Rynne's scoring with six goals, combining with Rynne to account for over half of the total Blue goal output. Vastly improved upper Evan Livada added two goals to the Andover scoring column, his second of which was the lone Andover tally against Exeter.

Strong Defense

The strength of the PA team rested in the defense. Led by goalie Chip Boynton, it gave up an average of only 1.01 goals per game with Boynton racking up five shut-outs. The halfback line of Jim Shea, Norm Selby, and Grant Hiedrich was outstanding as it constantly thwarted enemy drives. John Sibal and Mark Baldwin were tremendous in their fullback positions, taking much of the pressure off Boynton. However, both were injured at times during the year, forcing them to miss games, but upper fullbacks John Rohrer and upper middler Paul Finn fill in well. The big story on defense was

(Continued On Page Eight)

(Continued From Page Seven)
the play of goalie Chip Boynton, who posted shut-outs in his first two varsity starts.

Winning Season

Andover opened the season with successive wins over the Yale frosh and GDA, 4-0 and 3-0 respectively. After a tough 1-0 loss to Dartmouth, PA rattled off three straight wins dumping Medford, 3-2, Lincoln-Sudbury, 1-0, and Lexington, 3-1. Andover then faced a tough Mt. Hermon squad and lost in the final two minutes, 1-0. By defeating St. Pauls, 3-2, in its next game, Andover was back in the running for the New England crown. Andover had to beat Deerfield to stay in contention. However, Andover battled to a scoreless tie with the defending champs. The Harvard frosh handed Andover its third loss of the season, as the Crimson completely dominated play. With five players scoring, Andover posted its seventh win by smashing MIT, 7-0. In the final game of the season Exeter managed to squeak out a 2-1 overtime victory on a rain-soaked field. The Andover attack was unable to get untracked even though it was backed by a strong defense which dominated the game, as it had done all season.

FINN, McDONALD, WHAM CHOSEN ANDOVER '70-'71 FALL CAPTAINS

Last week PA's football, soccer and cross-country teams elected their captains for next year's season, with Bob McDonald, Paul Finn, and Doug Wham being chosen respectively.

McDonald, a varsity letterman his last two years, started at defensive end this year and bolstered the sparkling Blue defense. The line's rush was exceptionally strong, felling the opposing quarterback many times, and holding its rushing attack to an impoverished 667 yards, an average of under 100 yards per game. McDonald, an upper, should lead a strong PA squad defensively as many of this year's standouts will return. McDonald was also a letterman on last spring's varsity baseball team and played JV basketball last winter.

Finn Leads Soccer

Paul Finn played fullback for the Blue varsity soccer squad this season behind seniors John Sibal and Mark Baldwin. Filling in well when either of these starters was injured, Finn added great depth to an already fine team. Cut from the squad at the beginning of the term, he came back to win a spot on the team. Next year Finn should lead another strong team of PA hoofers to a good season. Finn swam on the JV swimming team last winter and played a strong term of club lacrosse.

Doug Wham, a upper prep this year, was a strong number eight man for Andover's varsity squad. Running in most of the varsity meets this season he turned in consistently good times, no matter the conditions. His best time for the course of 13:48 was the fifth best time on the team. Running JV against Exeter and taking first, Wham turned in the fourth best time among all Andover runners competing against the Red.

Potential

A strong runner and a good example for an unusually young team he also should lead a very good team to one of the Blue's best cross-country seasons.

Bowdoin Downs B-ball, 88-76; PA Hoopsters Fall To Suffolk

Saturday, Jan. 10, Andover— Capitalizing on strong outside shooting throughout the game, the Bowdoin freshmen turned back PA's basketball team today, 88-76. Ben Fosset paced the Blue scoring with 22 points, while Bob Carrington and Jim Shea bagged 16 and 12, respectively.

Fosset Excels

Ben Fosset excelled in the game, not only netting 22 points, but also making many clutch baskets in the first half. His shots often kept PA within range of Bowdoin while the rest of the squad was ice cold from the floor. Fosset is now Andover's leading scorer through two games, boasting an 18 point average.

Fourth Quarter

For the second game in a row, a strong fourth quarter by the opposing team spelled doom for Andover. With a 65-60 lead after three periods, Bowdoin began ball-hawking and grabbed most of the rebounds off both boards. The visitors' lead jumped to 14 points with six minutes remaining. They were never seriously threatened during the remainder of the game.

Andover Spurt

Andover jumped to quick 6-0 and 10-2 at the start of the contest, employing an aggressive defense and hustling offense. A couple of sloppy fouls resulted in two three point plays and suddenly turned the tables against PA. The period closed with PA on the losing end of a 20-19 score.

HUNTINGTON

Wednesday, Jan. 14; Andover— Huntington Prep dealt Andover's basketball team its third straight defeat of the year, 88-78. Huntington used its speed, rebounding, and accurate outside shooting to down the Blue. Bob Carrington's 31 points were high for the Blue, and Ben Fosset had 14.

First Half

The teams played equally well in the first period, and the visitors had a four point lead entering the second period. After falling behind 42-30, PA settled down midway through the next period and began working the ball in for easy shots. Effective fast breaking closed the gap to 42-39. Huntington countered with several quick baskets, however, and led, 47-39, at the close of the half.

Sloppy ballhandling and virtually no Blue rebounding prevented any chance of a PA comeback in the third period. Andover was badly outplayed in the quarter and trailed, 75-58, at the end of the period. With the game out of reach in the final 12 minutes of the contest, the Blue closed the gap slightly to finish ten points behind.

The game featured the return of Andover's club hockey standout of last year, Frank "The Monk" Mondano, playing for Huntington. He scored a big three points.

*Saturday, Jan. 17; Andover—*The UNH freshmen, depending upon exceptionally strong shooting and rebounding, rolled over Andover's varsity basketball team, 86 - 58. Taking the scoring honors for Andover was Bob Carrington, who netted 17 points and also rebounded very well for the Blue. Following Carrington were Ben Fosset and Jim Shea, who scored 14 and nine points respectively.

First Half

With fine shooting and rebounding on the parts of Carrington, Fosset, and Shea, both the Blue defense and offense excelled in the first half and stayed well within range. At the end of the half the Blue was on the low end of a 37-34 score.

Second Half

However, when the second half began, it was an altogether different story. During the remaining two periods, UNH completely dominated.

*Wednesday, Jan. 21; Exeter—*Collapsing under intense fourth quarter pressure, Andover's varsity basketball squad dropped a disappointing 70-55 decision to Exeter. PA held leads of five and one points after the second and third quarters respectively, but could not keep the momentum in the final twelve minutes of play. Bob Carrington's 24 points led the Blue and Ben Fosset added 15.

Exeter Streak

Andover entered the second half with a slim 32-27 lead. The Red whittled this down to one point at 48-47 when the disastrous fourth period opened. Hot outside shooting and fine passing enabled Exeter to outscore the Blue, 23-7, in the final quarter. During this period, Exeter's strong shooting drew the Blue defense outside. PEA then worked inside and consistently got the short shots.

Exeter led at the beginning as the mighty Red jumped ahead 6-0. The Red led 12-7 after the first period. Andover came back and grabbed a 24-20 lead in the second quarter, relying on Carrington and Fosset. The Blue increased the margin to five at the half. Exeter reeled off seven consecutive points in the third quarter to regain the advantage. From then on, the teams traded baskets and the lead changed hands six times before Exeter's game-winning streak.

Foul Trouble

PA was plagued by excessive fouling as they have been all year. Andover committed 26 to the Red's 13 and was outscored at the foul line 18-7, although hitting on 78% of their chances. In comparison, Exeter connected on only 53% of the shots. Carrington and Emile Triche both fouled out of the game while Fosset and Greg Meserole both finished with four personals.

Lower Clem Hearey Nets Last Two Baskets In Final 20 Seconds

Saturday, Jan 24; Andover — Lower Clem Hearey, who failed to average one point in Andover's first five games, came off the bench to lead the Blue basketball team to its first victory of the season. Hearey grabbed a Jim Shea pass and sank a six-foot jump shot with eight seconds left to break a 71-71 tie with New Hampton. Fifteen seconds earlier he had hit on an eight footer to tie the game.

The Blue overcame a twelve-point half-time deficit on the sizzling shooting of Bob Carrington and Ben Fossett who scored 28 and 17 points respectively. Andover outscored New Hampton 12-0 during a four minute span in the third period when Fossett sank three consecutive 25 foot jump-shots.

Both teams were plagued by inconsistent playing and failure to score in key situations. Due to the sub-par shooting by offensive guns Carrington and Fossett, Andover managed to score only 26 points in the first half.

Defense

But most instrumental in the Blue's second half surge was the flawless inside defense. Centers John Misztal and Greg Meserole and forward Kenny Morris harassed New Hampton all afternoon, forcing shots and controlling the boards.

The victory over New Hampton was certainly less than impressive. Yet, Andover showed for two of the quarters that it can play outstanding basketball. If Shea can continue to lead the team, if Carrington and Fossett can consistently score from the outside, and if the defense plays as well as it did in today's third period, the Blue basketball team will win more than half its remaining games. If not New Hampton may be Andover's last victim.

Clem Hearey scored two clutch baskets to defeat New Hampton, 73-71.

On defense, Andover forced the freshmen outside and wasn't beaten under the basket as it had been all year. Halfway into the second and quarter, PA opened up the biggest lead of the first half, 26-21.

Disastrous 2nd Half

The second half was a completely different story. The visitors cut down on their mistakes, executed their plays better, and were hot from the outside. PA couldn't find the range during this time and was down 58-46 after three quarters. The teams traded baskets in the final 12 minutes.

Wrap-Up

Ben Fosset led Andover scorers in the two games with 49 points, including his season high of 30 against Deerfield. Bob Carrington was second with 34. Basketball Falls to Deerfield; Merrimack Topples PA, 79-64

by ROB WAGNER

Wednesday, Jan. 28; Andover
Saturday, Jan. 31; Deerfield—Unable to continue the momentum gained in last week's victory over New Hampton, Andover's varsity basketball team dropped two more games. The Merrimack freshmen were the first to knock off PA, 79-64 at Andover. Deerfield followed the pattern on Saturday, running away from the Blue, 95-78.

As has been the case all year, Andover was a good first half ball club but couldn't keep playing well in the second half of either game. The Blue were even with Merrimack at the intermission and trailed Deerfield by only three at halftime. Excessive fouling, numerous turnovers, and effective opposing fast breaks were the keys to the losses.

Deerfield

A 32 point Deerfield third quarter decided this game. Trailing 35-32 at halftime, the Blue b-ballers came back after the break and were blown off the court. Deerfield outscored them in the third quarter, 32-17. Deadly outside shooting by the Green and Andover's inability to clear the boards were the factors in this outburst. Deerfield was led by Panaggio, who netted 43 points, six over his average, hitting 16 of 19 shots from the floor. In the fourth quarter, Greg Meserole and Ben Fosset contributed 20 of PA's 29 points. The closest the Blue could come, however, was 85-70.

Down by six starting the second period, PA became red-hot and relying on Fosset, reeled off a 12-2 streak. The Green however, came back immediately with a 10-0 spurt and the halftime lead. Andover missed the scoring punch of Bob Carrington, who ended with 10 after being in early foul trouble.

Wed., Feb. 4; Andover and Sat., Feb. 7; Mt. Hermon — Enjoying its most successful week of the season, Andover basketball defeated Mt Hermon and Lowell Tech. Without star guard Ben Fossett; PA edged Lowell Tech, 78-72 in overtime. Saturday, led by Ken Morris the Blue defeated Mt. Hermon 90-86 for their third win of the season.

Mt. Hermon

PA entered the dressing room at halftime down, 43-40. During the first two periods, both teams traded baskets, with the Hermies leading by about three for the most part. In the third quarter, Mt. Hermon widened its lead to seven points, the largest of the contest. Although Andover started rebounding more and shooting better from the outside, the period ended in Mt. Hermon's favor, 68-65.

The story of the fourth quarter was all Ken Morris. Morris' tip-ins, deadly outside shooting, tenacious defense, and crucial rebounding allowed PA to keep the momentum it had gained earlier in the period. Morris finished with 26 points, registering 22 in the crucial second half. After taking the lead with four minutes left, PA went on an 8-2 spurt and clinched the contest.

Ben Fossett and Jim Shea sparked Andover from the outside, hitting for 18 and 12 points.

Ben Fossett shoots over Emile Triche (14).

Lowell Tech

After losing seven of its first eight, Andover changed its game plan against Lowell Tech on Wednesday. On offense, Andover turned to ball control and relied on a balanced scoring attack to crack the frosh's man to man defense. Defensively, John Misztal and Bob Carrington dominated the boards, while PA's pressing defense forced numerous turnovers. This new look powered the Blue to a 78-72 victory.

After entering the second half with a 35-29 lead, Andover became cold in the third period. Tech started fast, breaking more and hitting from outside and carried a 49-48 advantage into the fourth quarter. At one point in the second half, Lowell outscored Andover, 11-1. After scoring only three points in the first six minutes of the fourth quarter, the Blue found themselves down, 58-51. Andover became hot, and with the score 65-59, two Jim Shea baskets and a pair of steals by Shea and Morris tied

Harvard, as expected, using its height and shooting unmercifully, trounced Andover, 123-66. The Blue never stood a chance as Harvard enjoyed many six inch height advantages and relied on superior court play. After spurning to a 4-0 lead, PA was never to be within range again. When the Crimson didn't fast break for two points, they would feed the ball inside to their two 6'6" high school All-Americans for buckets. A 24 point Harvard halftime advantage was increased to 48 after three periods and closed out at 57.

Fossett Paces Blue

Throughout the game, Andover was unable to move the ball inside because of the visitors' size and had to settle for low-percentage outside shots. Fossett was Andover's only man consistently able to hit these shots. He finished the game with 16 points.

For the second contest in a row, this was never in doubt. Along with good outside shooting, Tufts employed an effective fast break. Coupled with Andover's inability to adjust quickly on defense, the visitors rolled up a 10 point lead in the first quarter. The taller Jumbettes increased the margin to 19 at 41-22 in the first half due to superior rebounding. They cleared both boards well and often had two or three shots to score. PA whittled down the lead to seven, with two minutes remaining in the half, but six straight points by the freshmen staved off the comeback. The half ended with the Blue down, 51-38.

The second half saw Andover put on an ineffective press and continue its cold shooting. Fossett and Triche were all of PA's scoring punch from outside. The Blue never started any kind of a comeback and the game ended in Tufts' favor 101-81. Triche finished with 18 points for a personal high.

Andover's basketball team enjoyed no success whatsoever losing three more games. PA was downed by Deerfield, 80-59, Tufts, 101-81, and Harvard, 123-66. The Blue were clearly outplayed in all three contests, as the scores indicate. Bob Carrington led PA scorers with 50 points in the three games. Ben Fossett had 41, and Emile Triche connected for 30.

Deerfield

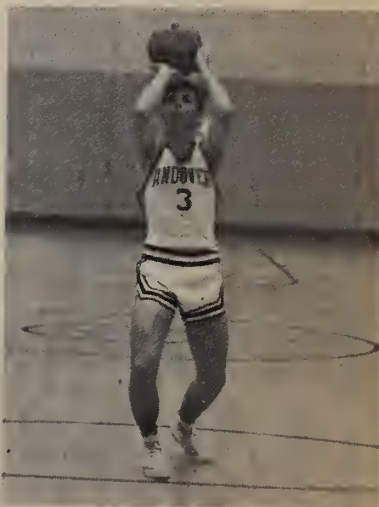

Jumping to a 13-4 early advantage, Deerfield simply ran away from Andover last Saturday and finished on top of a one-sided 80-59 score. The story of the game was the Green's accurate passing and ability to work the ball inside compared to PA's inaccurate shooting and excessive fouling. PA did succeed in holding Deerfield's star score Padagio to 12 points, 24 below his average. Defensively, Andover used a four man zone with the extra man covering Padagio one-on-one.

After falling behind, PA could not get the momentum needed to catch the Deeries. Concentrating its defense on Panaggio, Andover was constantly struggling as Deerfield hit open men for easy shots. Andover's scoring punch suffered as Ben Fossett, in foul trouble, played only six minutes of the first half.

The Blue then became red hot from outside and closed the gap to 58-56 after 30 minutes of action. Early in the fourth quarter, a three point play by Fossett gave Andover its first lead of the game, 61-60. A few PA turnovers proved costly though, as the visitors jumped to a five point margin which they never relinquished. Ben Fossett was again PA's top scorer for the week with 49 points. Greg Meserole netted 26, and Clem Hearey threw in 16. PA played the Hermon game without Bob Carrington, Emile Triche, or John Misztal.

Andover clearly outplayed the Hermies in the first half. Along with a tenacious, ball-hawking defense, the Blue also employed a hot shooting offense and cleared both boards well. Mt. Hermon did not score its first field goal until six minutes had elapsed and PA held an 11-2 lead. In the second period, Andover, particularly Fred Waterman and Greg Meserole, continued to rebound well and kept its momentum mainly through the play of Ben Fossett. Fossett was PA's high scorer and added many assists. A brief cold spell gave the Hermies a temporary 30-29 advantage. PA then retook the lead and stretched it to 36-32, at the midway point of the action.

With good shooting and few turnovers, the Blue further widened the margin in the third quarter to 49-38 just to see it vanish. Andover was forced to play an inexperienced team with Fossett and Ken Morris in foul trouble. Mt.

Greg Meserole sparked PA to its second win over the hapless Hermies.

Hermon tied the game, 49-49, but PA had a four point lead when the buzzer sounded.

Sloppy play ruled the final quarter for the most part as neither team could hit. With the Hermies ahead, 61-59, PA played its best of the game. Behind 64-63, the home team rolled up 10 consecutive points, four by Clem Hearey. PA shot well, stole Hermie passes, and dominated its opponents in the last four minutes.

Squash Loses To Harvard In Season Opener

A powerful Harvard JV squash team handed the Andover varsity racketmen their first defeat as they rolled over the Blue, 6-1. Although the score was one-sided, PA showed promise for the rest of the season. Captain Norm Selby won the only match for PA.

Captain Selby Solo Victor

Norm Selby displayed the skills that placed him fourth man last year as he outplayed his Harvard opponent, 3-1. After winning the first and second game 15-12 and 15-9, Selby bowed to his opponent in the third game by losing 9-15. In the fourth game Selby clinched the match as he handed Harvard's Clatterberg a 15-10 defeat.

Crimson Overpowering

Andover's number one man Steve Marshall fell to the experienced Crimson racketman Foster in four games. Upper Steve Sherrill, at number two for PA, was outplayed by Quasha of Harvard as he lost in three games, 2-15, 16-17, and 12-15. In the number three spot, Steve Fury was crushed by Shapiro, 1-15, 11-15, and 7-15. Upper Peter Blasier was edged by his opponent in three games as Harvard's Pratt won the first and third game by the same margin of 17-16 and the second game 15-8. Frank du Pont bowed to his Crimson challenger, 16-17, 16-17, 15-6, and 10-15. At the number seven spot for the Blue, lower Dave Chase went five games only to lose in what was a closely matched contest.

This week PA's racketmen go against an equally experienced team as they face the Harvard Frosh.

SQUASH TOPS CHOATE, ST. PAUL'S; MARSHALL WINS SEVENTH MATCH

by BOB MARTINEZ

Wednesday, Jan. 28; Saturday, Jan. 31; Andover—Andover's varsity squash team further increased its chances of winning the Interschols as it defeated St. Paul's 4-1, and Choate, 6-1, this week. Senior Steve Marshall and upper Steve Sherrill continued to be undefeated in prep school competition. Marshall won all of his games this week, allowing only one of his opponents to get more than ten points. Sherrill lost only one game during the week: in his match against his Choate opponent. In the

St. Paul's match Sherrill toppled his opponent in three games.

Blasier Falls Twice

Playing at the number two position, upper Peter Blasier ran into some difficulty as he faced excellent opponents in Choate's Fisher and SPS's Wheelwright. In both matches Blasier's strong last effort was not enough as he lost both matches in four games. Captain Norm Selby had an exceptional week as he won both of his matches. In the Choate match, Selby annihilated his opponent in three games, 15-5, 15-10, and 15-10. In the St. Paul's match, Selby played a stronger opponent, but was able to win in four games, 15-10, 15-6, 10-15, and 15-11.

duPont Excels

Playing in probably his best match this season, Frank duPont defeated St. Paul's Van Stade in three straight games, 15-8, 18-17 and 15-12. In the Choate match duPont dropped his first game but came right back to defeat his opponent, 12-15, 15-10, 15-4 and 15-8.

Fury Wins Also

Playing at the number sixth position Senior Steve Fury defeated Talbot from Choate in five games. Fury fell behind early in the match as he lost his first game 1-15. However he came back to win the second game, 15-13, lost the third 13-15, and captured the fourth and fifth games. Finally, in the number seven spot upper Seth Walworth defeated Choate's McDuffie in four games, 15-10, 16-18, 15-8, and 15-9.

Andover Faces Harvard

Andover's current record is 7-2. The PA raquetmen's only losses were dealt by the Harvard JV and freshmen teams. Since those first two matches the Blue have won seven matches in a row. This Wednesday, the Blue raquetmen have a chance to avenge their first two matches as they go against the perennially strong Crimson freshman squash team.

Blue Squash Trounces Tabor; Harvard Frosh Turn Back PA

Wednesday, Feb. 4; Andover and Saturday, Feb. 7; Tabor—The Andover varsity squash team finished another successful week today as it barely lost to the Harvard freshmen on Wednesday, and then came through to rout the Tabor varsity, 4-1 on Saturday. Against the frosh, Andover almost pulled an upset before finally succumbing to the strong Harvard team 4-3. Against the Tabor varsity, Andover, which was playing without the services of its four top men, still came up with a 4-1 win.

Steve Marshall, playing in the number one spot, was in only one match this week, which he lost to Harvard's Briggs in three straight games. For Marshall, this

Upper Steve Sherrill

was his first loss after having won seven matches in a row. Number two man Sherrill also played in only one match this week, which he lost to Weigand of Harvard. Sherrill jumped out to a quick 2-0 lead in front of his opponent, but unfortunately he wasn't able to hold on to it, and ended losing the last three games, and the match. Number three man Blasier, who played only against the Harvard frosh, ended up losing his third match in a row, to his opponent Gordon.

duPont Wins Twice

Frank du Pont was the week's only double winner, coming up with key wins on both occasions. Playing at the number four position against Harvard, duPont came up with an upset win against his opponent Vosters. du Pont fell behind at one point 2-1, but then came on to take the last two games, and the match. As the number one man against Tabor, duPont played equally well, routing his opponent in three games.

At number five against the Harvard freshmen, Norm Selby continued his excellent playing, defeating his opponent Davis Everett, PA '68, in five games. Selby is now 8-2 on the season. At the number six spot, senior Steve Fury proved to be little opposition for Harvard's Dave Sedgewick, losing in straight games. Playing at number seven against Harvard, Seth Walworth played by far his best match of the season, routing his opponent Warsaw in three games. At Tabor, however, Walworth lost in five games. At number three against Tabor, upper Dick Cashin had little trouble against his opponent, winning in four games.

Rafferty, Carlisle Win

Playing their first varsity matches of the season, both Pierce Rafferty and Mike Carlisle proved to be successful, as they each won against the Tabor varsity. Number four man Rafferty won in four games, and Carlisle won in three games.

Andover Squash Revenges First Loss To Harvard; Tops Dartmouth, 6-1

by BUZZY BISSINGER

Wednesday, Feb. 11; Andover and Saturday, Feb. 21; Hanover—The varsity squash team once again turned in an excellent performance, as it won both of its matches against the Harvard JV and the Dartmouth freshmen. In its first match, the Blue posted an overwhelming 6-1 victory against Harvard, which had routed Andover in their previous meeting during the season. Against Dartmouth, Andover played equally well, winning six out of the seven matches.

Marshall Splits

Playing at number one during both matches was senior Steve Marshall. Opposing Harvard, he won in straight games against his opponent Shapiro. Against Dartmouth however, Marshall accounted for Andover's only loss, dropping his match in four games to last year's squash captain Doug Donahue. Playing at number two against Harvard, and at number three against Dartmouth, upper Steve Sherrill went undefeated. Against the Crimson, he fell behind 2-0 against his opponent, but then came on to take the last three games and the match. At Dart-

Peter Blasier was undefeated this week.

mouth, however, Sherrill had little trouble, winning in three games.

Blasier Wins Twice

Upper Peter Blasier was one of six players not to lose in the two matches, winning both times. Playing at number three against Harvard, and at number two against Dartmouth, he won each match in three games, as did the number four man Frank Dupont against his opponents. At number five against Harvard, captain Norm Selby came up with Andover's only loss, succumbing in five games to his opponent.

**Racketmen Beat St. Paul's;

N. E. P. S. Interschols**

Wednesday, Feb. 18; Concord, N.H.—Playing in its final prep school match before the Interschols, Andover squash shut-out St. Pauls, as only one match went beyond the three game limit. Earlier in the year, PA had beaten the Paulies four to one. PA has now gone through seven prep school meets, losing five individual matches. Steve Marshall, Steve Sherrill and Frank duPont, at number one, two and four on the ladder are still undefeated in prep school competition.

The four regular varsity performers competing against the Paulies, Marshall, Peter Blasier, Sherril and duPont, playing the top four St. Pauls players, all won straight three-game matches. Blasier had been the lone PA racketman to lose to his SPS counterpart when the two teams last met, on January 28. At number five, lower Dave Chase, breaking into the varsity lineup for the first time this year, defeated his opponent in four games en route to an undefeated week.

PA Favored

Andover's record for the season now stands at 11-3 with the three losses coming at the hands of strong Harvard JV and freshman teams. PA's chances of taking the Interschols are excellent. Judging from comparative scores, the only schools with a reasonable chance to stop Andover are perennially strong Choate and Exeter. Andover beat each team, 6-1. Andover will be represented by its top three players, Marshall, Blasier and Sherril two of whom are undefeated on the prep school circuit. Barring any bad luck in the draw for opponent match-ups, the Blue should have little trouble picking up their fifth Interschol win in six years. Last year, Andover placed sixth.

PA Squash Places Second In Interschols Behind Deerfield

by BUZZY BISSINGER

Saturday, Feb. 28; Corcord—

With Andover's number one and number three players, Steve Marshall and Steve Sherrill, unable to win their first round matches, the varsity squash team could only come up with a three way tie for second place in the Interschols behind Deerfield, which won the championship with a total of ten points. Tied for second with Andover were Milton and Middlesex, all of whom finished with nine points. In fifth came Choate, and far back in sixth place was Exeter.

In the class A tournament, which

was for each school's top two players, Andover's Marshall was top seeded. Also playing in the "A" tournament for Andover was Pete Blasier, who was unseeded. Marshall began the tourney going against Marx of Deerfield in the first round. Unfortunately, this was the farthest that Marshall ever got, as he lost a heartbreaking match, however, to Marx 12-15, 15-10, and 14-15. Number two man Blasier, proved to be a little more successful, as he won his first round match against his opponent from Tabor in the minimum of two games. In the second round Blasier went against the number two seed Noonan from Deerfield. A win here, as it turned out later, would have won the Interschols for the Blue. But Blasier could not turn the trick, as he lost his match to Noonan two games to one.

In the class B tournament, which was for each school's number three player, Andover again held the number one seed with upper Steve Sherrill. Sherrill however, just as Marshall had done, was never able to progress further than the first round as he lost to his opponent Gerold of Choate in three games, 11-15, 15-8, and 16-18. In the regular season match against Choate, Sherrill had defeated Gerold in four games.

Andover's best performances in the Interschols came in the consolation tournament. In the first round, both Marshall and Sherrill defeated their respective opponents in three games. In the second round, Marshall won in two games, as did Sherrill. In the semis, both players won again, thus setting the stage for an all-Andover final which Marshall won.

John Sibal pitches in Saturday's victory over Stoneham High School.

Blue Baseball To Improve

On Last Year's Record;

Boasts Good Infield

Saturday, April 11; Andover
Andover's varsity baseball team opened its season with a big win over the perennially strong Stoneham High School varsity, winning 8-6 behind the strong play of Doug Lentz, Bob McDonald, and John Sibel. McDonald paced the Blue hitting attack with four singles..

See-Saw Battle

Andover started out with John Misztal on the mound who pitched two scoreless innings, until the top of the third when Stoneham hit Misztal for three runs. Andover retaliated with one run in the bottom of the third on a hit by Jim Gillan and a single by Doug Lentz to send Gillan in for the run.

In the top of the fourth, John Sibal replaced Misztal and kept Stoneham scoreless throughout the fourth and fifth innings. In the bottom of the fifth, on hits by Snickenberger, Lentz, and McDonald, and a sacrifice by Ted Thorndike, the Blue scored three more runs, giving them a 4-3 lead.

PA Rallies

Stoneham came back once more in the sixth with one run, and held the Blue in the bottom of the sixth and managed to hit John Sibal for two more runs and a walk in the top of the seventh to give them a two run lead. Andover was again scoreless for the second half of the inning, but Sibal kept Stoneham scoreless in the eighth. The Blue came back with hits by Bigwood, Wiland, Boyden, and Sibel to make the score 8-6 in favor of Andover. The Blue then went on to keep Stoneham scoreless in the top of the ninth and won 8-6.

Although Andover's varsity baseball team opens its season with only four returning lettermen from last year's team, it hopes to have a strong team and a fine season.

Starts Season With Strong Defense

The infield, one of the strongest points of this year's team, is centered around all-Massachusetts third baseman Doug Lentz and short-stop Jim Gillan, who both look outstanding, so far this year. Rounding out the infield is rookie Greg Bigwood at first base, up from last year's strong JV who in the words of the coach looks as though he'll handle first very well, while veteran Evan Livada has tentatively nailed down the second base position, backed up by newcomer Scott Curran.

ATHLETE OF THE WEEK

BOB McDONALD

Upper Bob McDonald, converted from catcher to rightfield, paced the Andover hitting attack with four hits in five at-bats, scoring two runs.

the second. John Misztal came in with three men on and only one out. Misztal struck out the first batter, but the next one hit a double to left field, to drive in three runs, all of which were charged to Boyden. He then struck out the next batter he faced to end the inning. Misztal continued to pitch the remaining seven innings, letting in an additional three runs, though striking out ten. Misztal also aided his cause, getting one of the six Blue hits.

Harvard Maintains Lead

Harvard opened up the first inning with a series of hits and a walk, to score a run before they were finally out on three infield grounders. The Blue was blanked in their half of the inning. In the second Harvard exploded, with a walk and two hits, and then a double to score three more runs before being halted. Andover was once more set down without a score in the bottom of the inning, and after holding Harvard in the third the Blue scored two runs to make the score 4-2. The frosh came back in the fourth with a run on two hits. The Crimson scored once more in the sixth on a series of errors by the Blue infield. In the Andover half of the sixth the Blue scored three more runs, all on errors by the frosh, to make the score 6-5, and completed the scoring for the Blue. In the eighth, Harvard scored its final run on a series of three hits.

Livada And Thorndike Lead Scoring

The main hitters for the Blue were Ted Thorndike and Evan Livada, who scored three runs between them on two hits apiece. Also hitting for the Blue were Walt Snickenberger and John Mitztal, each with one.

Thorndike Leads Baseball Past Yale; Harvard Frosh Downs Andover, 7-5

by BILL McPADDEN

Saturday, April 18: New Haven-
Led by two homers off the bat of Ted Thorndike and strong hitting throughout the order, Andover's varsity baseball team edged out the Yale freshmen, 8-7. The lead changed hands many times during the first half of the game which wasn't decided until the final moments of plays, when PA was able to blank the frosh in the bottom of the ninth for the win.

Thorndike Homers

Captain Ted Thorndike excelled for the Blue in the game with several strategic hits. His first came in the top of the second, when with one out, and nobody on, he hit a home run over the right fielder's head. His second hit came in the Blue's half of the fifth inning, with no outs he hit a double, and later scored. In the sixth inning he finished his hitting spree by hitting a grand slam home run with Dave Lentz, Bob McDonald, and Greg Bigwood on base. Driving in the final two runs were Lentz and Evan Livada.

John Sibal also had a fine day for the Blue. He went all the way on the mound, giving up seven runs, while striking out seven. Sibal also had a hit to aid his cause.

Yale opened the scoring with a home run by their lead off batter in the first inning, and before the inning was over were able to score another run on a double and an error. The Blue came back in the next inning on Thorndike's first homer, to make the score 2-1. Both teams were held scoreless until the

top of the fifth when Andover, once more, due to the hot bat of Thorndike, was able to score two more runs. Yale came back in the bottom of the inning on three consecutive doubles to score three more runs and regain the lead. PA then clinched the game on Thorndike's grand slam home run. Yale once more attempted a comeback with runs in the seventh and the eighth, but Andover behind strong infield play and strong pitching was able to stop Yale in the bottom of the ninth for the win.

scattered six Tufts hits over the nine innings. John Siball looked good in relief, pitching six scoreless innings for the Blue.

Lentz Stars Again

Lentz got his first hit in the first frame, but the inning ended before anything could come of it. His second hit came in the fourth when, with Walt Snickenberger and Jim Gillan on, he hit a single to drive in two runs. He was later driven in on a single by Greg Bigwood. In the fifth, with Snickenberger on, he hit another to left field to send him in for the score. He was later driven in on a single by Ted Thorndike. Lentz scored again in the seventh when he was driven in on hits by John Healy and Mark Baldwin. He also had a fine day in the field, making many strategic fielding plays and initiating several all-important double plays.

The Scoring

In the first three innings of play both teams were held scoreless in what looked as though it would be a very tight pitching duel. However, in the bottom of the fourth inning Chris Boyden drove in Evan Livada, with a single, in what proved to be the game-winning run. The Blue continued that inning by scoring eight additional runs, on hits by Doug Lentz, Greg Bigwood, Evan Livada, and Danny Bolduc, to make the score 8-0.

In the Blue half of the fifth three more runs were scored on a series of walks, and hits by Lentz and Thorndike. Tufts managed to keep the Blue scoreless in the sixth, but in the next inning the Blue bounced back to score five more additional runs, on several walks given up by the Tufts pitching and on hits by Bigwood and Siball, thus making the score 17-0. Andover finished its scoring in the eighth inning, by driving in Lentz on a single to right field by Ken Lacey.

DEERFIELD

Saturday, May 16; Andover — Andover's varsity baseball team lost its second game of the season, dropping a tight game to the Deerfield varsity squad, 4-0. For the first time this season the Blue suffered from lack of hitting, as it got only two hits and a total of only five men on base, while in the field the squad seemed to be missing the team work which it has exhibited in all its past games.

Deerfield Scores in Fifth, Sixth

The game was scoreless for the first four innings, as the pitchers battled it out, each striking out five of the first twelve batters they faced. Then in the top of the fifth the Green touched Andover for two runs, on two hits and a walk. Andover finally got out of the inning when a Deerfield batter grounded out to the second baseman. Deerfield once more set down the Blue 1-2-3 in the fifth and came up in the sixth and produced two more runs. These came on two more hits and an error.

Blue Gets Two Hits

In the course of the game the Blue was able to collect only two hits off the fine Deerfield pitcher. The first hit was by shortstop Jim Gillan, as he led off the first inning by clouting a single to left field with no outs. However, the Blue was unable to take advantage of this, as the next man for Andover grounded out, Lentz popped up and Ted Thorndike struck out. Andover's only other hit came in the second inning, when with two outs and one man on Evan Livada came up and hit a single to center

field. The Green put out all of the Blue's fire by striking out the next man up however. Andover had three other base runners, all of whom arrived at first on walks and were unable to make the trip around the bases.

Sibal Stars For Blue

Although in the course of the game PA gave up nine hits to Deerfield, few of them were the fault of the Blue pitcher, John Sibal, who had a fine game. Sibal threw hard and recorded nine strikeouts for the Blue. His strikeouts came at key points throughout the game; often preventing the Green from scoring many more runs than they did.

Captain Teddy Thorndike also had a fine game for the Blue, as he threw out two Deerfield base runners and stopped many Green scoring threats through his fine fielding.

Baseball Routs Lawrence, 7-0

by DAVE McCRACKEN

Wednesday, May 27; Andover -

Andover's varsity baseball team soundly defeated a hapless Lawrence High School team last Wednesday, 7-0, extending its season record to 9-2.

Led by the hitting of Doug Lentz, Andover collected its seven runs on 12 hits; Lentz alone hit a single and three triples while scoring three runs. Pitchers John Boyden and John Sibal threw superbly for the Blue. Sibal, who came on in the fifth, pitched four innings, striking out five batters, while giving up no hits. Boyden started for the Blue and also struck out five batters, while giving up no hits. Boyden started for the Blue and also struck out five while giving up two singles. John Mistzal came on in the ninth, and he gave up the only Lawrence extra base hit, a double.

The Blue clinched the game in the first inning by scoring two runs on only one hit. Shortstop Jim Gillan, batting in the third position, reached first on an error by the second baseman. Lentz then hit his first triple, driving in Gillan, who had previously stolen second base. Lentz came in himself on a wild pitch. The other big inning for the Blue was the seventh, in which PA collected three insurance runs. Gillan once again started the inning off by reaching first on an error. Lentz got his third hit of the game, another triple, driving in Gillan. Leftfielder Bob McDonald singled, driving in Lentz. Firstbaseman Mark Baldwin was up next, and he flied out to the Lawrence centerfielder, Jim Borreli who made a remarkable driving catch, robbing Baldwin of a probable extra base hit. Lentz finally came in on a sacrifice fly by John Healy.

PA also scored one run in the third and eighth innings. In the third, Lentz led off with a single, advanced to second on an error, and came in on Mark Baldwin's single. In the eighth, catcher Ken Lacey reached first on an error, and then went to third after the Lacey then went to third after the Lawrence pitcher threw wildly attempting to pick him off at first base. Saturday, May 30, Exeter—
Andover's varsity baseball team finished its season, as it downed Exeter in their second meeting of the year, 9-7. In a game much like its opening game against Exeter the Blue won a see-saw battle in the final innings of play, behind strong hitting and pitching performances.

After the Exies had tied the game in the bottom of the sixth and had taken the lead in the seventh, the Blue came up and won the game in the top of the eighth. Greg Bigwood got a base on balls and advanced to second on an error. Evan Livada grounded out to the pitcher, advancing Bigwood to third. John Misztal, up next, saved the game for the Blue as he tied up the game, by hitting a single, driving in Bigwood. Walt Snickenberger then lashed a home run to left field, scoring two runs and making the score, 9-7. Chris Boyden then tripled to left, but the next two batters were put out, ending the inning.

Andover scored the first run of the game in the second inning, as Lentz got to first base on an error. McDonald drove Lentz in with a single. The inning ended as McDonald was caught in a run down between second and third, and the next man up for Andover was put out with a pop fly to right field.

In the third inning Exeter regained the lead from the Blue, as it scored three runs on a double, and a homerun by Exeter's third baseman Metcalf, making the score, 3-1.

PA Takes Lead

In the fourth the Blue regained the lead by scoring three more runs. Captain Ted Thorndike led off the inning getting a walk. After Livada reached on an error, Greg Bigwood hit a double, driving Thorndike in, and putting base-runners at second and third. Snickenberger, then hit to the second baseman, and reached second on a bad throw, allowing Livada and Bigwood to score. The next two men were put out to end the inning.

The Blue scored two more runs in the sixth inning on walks issued to Bigwood and Livada. Misztal then advanced them with a sacrifice. Bigwood scored on a passed ball, and Livada scored later on a pop up to the centerfielder. The inning was ended as the next batter struck out, making the score, 6-4.

The Blue's first baseman, Greg Bigwood had a fine day for Andover, as he went 2-3 at the plate and delivered many fine defensive plays.

Lacrosse Defeats Yale 6-3, In Opening Game; Attackman Shea Paces Blue With Two Scores

Captain Jim Shea scored two goals and assisted on two others.

Saturday, April 11; Andover— The varsity lacrosse team, in quest of their third straight New England championship opened the season successfully as they defeated the Yale Freshmen 6-3. Equipped with a powerful defense led by Todd O'Donnell and an adequate offense, PA never let the Yale Frosh threaten, as they held at least a two goal lead throughout most of the game. Leading the offensive attack for the Blue were captain Jimmy Shea, who picked up four points with two goals and two assists, and upper attackman Steve Sherrill, who also scored two goals against the Bullpups.

During the first period of the game, PA completely dominated play. (The period was seven minutes old before an Eli attackman had touched the ball.) Andover opened the scoring very early in this period, with attackman Steve Sherrill picking up the first tally with less than two minutes having gone by. Assisting on the play was Cobber Eccles, who set Sherrill up with an excellent pass in front of the net. Then, just about a minute after the first goal, PA found the mark again with attackman Jimmy Shea picking up the score. Shea, in scoring the goal, put an excellent fake on the Yale defenseman Matricini, leaving him an open shot.

After this opening spurt by the Blue, play settled down. The Andover defense, which played very convincingly throughout the game, held the Elis scoreless until the middle of the second period when a Yale attackman rolled the ball past goalie Lewie Green. Andover was able to offset this goal however, when they scored late in the second period on a shot by Ethan Warren, thus making the score 3-1 at halftime.

Opening the second half, Andover upped their lead to three, as captain Shea swept the ball past the Yale goalie Joe "Face" Mc-

Gee (PA'69) for the second time in the game. Later in this period Yale scored their second goal, closing the gap to two. After this goal, play came to a standstill between the two squads, with the defense on both teams dominating the action. Early in the fourth period, Steve Sherrill scored his second goal on a feed from Shea, upping the score to five to two. During the remainder of the period Andover was given numerous opportunities to score, but was never able to capitalize on them due mostly to the poor shooting on the part of the PA offense. On four or five occasions Andover was given the open shot on goal,

Midfielders Net Eleven Goals; Hooper Leads Scoring Attack

Saturday, April 18; Andover - The varsity lacrosse team picked up its second win of the season last Saturday as it completely over-whelmed Tabor Academy, winning 15-4. Throughout the game, Andover put on an awesome display of offensive power, as they peppered the opposing nets with almost 40 shots, 26 of which came in the first half.

As it did against Yale last week, Andover opened the scoring very early in the game, as Ethan Warren drove home a shot with less than a minute having gone by in the first period. Tabor then tied up the score on a goal by its attackmen Fert, and the game looked as though it would be a close one. Things, however, did not turn out this way. During the remaining part of the first half, the Blue offense exploded, scoring ten consecutive goals, including eight from midfielders. Upper Kevin O'Brien opened the scoring streak for the Blue, picking up two goals in a row to make the score 3-1. On both shots O'Brien was aided by excellent passes that enabled him to make an open shot on goal. With two minutes left in the first period, midfielders Sam Walker, Phil Hooper, and Bob Carrington each managed to drive the ball past the hapless Tabor goalie Kokinas, giving Andover a 6-1 lead at the end of the quarter.

Opening the second period the Blue wasted no time, as Romero Perkins scored on an excellent shot with only two minutes gone. Then, just thirty seconds later, Steve Sherrill tallied, giving PA an overwhelming six goal lead. Andover continued their offensive splurge during this period, with Kurt Kuchta, Greg Meserole, and Hooper each picking up goals. For Hooper it was his second goal of the game, and it came from a seemingly impossible angle.

During the second half, play settled down somewhat, with PA outscoring Tabor by just one goal in the final two periods, 4-3. During the third quarter, Tabor began to dominate play somewhat, forcing the defensive line of Walter Haydock, Tom Earthman, and Dick Cashin to come up with some key clears. Sherrill and Gary Tourtellote each scored in the third period. For Sherrill it was his second goal of the game, and fourth of the season. In the fourth and final quarter, the Blue scored twice, as midfielders Perkins and John Deming each found the mark.

For PA, it was another strong game. The defense again played well, and the goal tending of Green and Smyke was more than adequate. Above all this, however, was the play of the midfield, which was superb on all lines. They scored eleven out of the fifteen goals, and were equally devastating on defense.

Attackman Shea Tallies Five Scores To Lead Lax Over Brown, Deerfield

BROWN

Wednesday, April 22; Andover—
Pulling off a major upset, the
varsity lacrosse team defeated the
Brown Freshmen 6-4.

With both the offense and
defense playing superbly, Andover
was in complete command of the

(Continued from Page Seven)
contest until midway through the
fourth quarter. Trailing 6-1, Brown
scored three goals within the space
of two minutes. After this quick
spurt by the frosh, however, PA
was able to dominate play for the
final six minutes thus enabling
them to come up with the victory.

Opening the game, Brown
controlled play for the first seven
minutes, as the PA attack never
touched the ball. Capitalizing on
a penalty handed out to Todd
O'Donnell for unnecessary
roughness, midfielder John Wagner
of Brown was able to find an
opening in the defense that gave
him a clear shot on goal. After
this tally by the frosh, Andover
took complete command of the
game, scoring six consecutive
goals, three of which came in the
explosive second period.

Picking up the first score for
the Blue was attackman Ethan
Warren. Taking a pass from
teammate Jimmy Shea, Warren
fired the ball past the outstretched
stick of the Brown goalie. Then,
just fifty seconds later, attackman
Shea scored on an amazing play.
Falling to his knees as a result
of the slippery turf, Shea still
managed to get off a shot that
was both accurate and powerful
enough to go into the net. An-
dover's third and final goal of the
period came with six minutes

remaining, as Bob Frisbie put a
fake on the Brown defenseman
Maestro that enabled him to take
an unobstructed shot.

Green Sparks Defense

Starting the third period, An-
dover continued its excellent play.
Besides coming up with two goals
in this period, the Andover
defense, led by goalie Lewie
Green, continually harassed the
Brown offense. Tallying for PA in
this quarter was Jimmy Shea
from midfielder John Sheffield.
Shea drove around the corner of
the net, and fired the ball through.
O'Brien's goal came on an un-
derhand shot that caught the
Brown goalie Hahn completely
offguard. Assisting on the play was
midfielder Bob Frisbie.

In the fourth period, the Blue
picked up one more goal, raising
the score to 6-1. Scoring for An-
dover was attackman Warren, who
had tallied earlier in the contest.
Assisting on the play was O'Brien.
Then, midway through the fourth
quarter, PA, for the first time in
the game, lost control, letting the
frosh come up with three quick
scores.

For PA, it was another excellent
game. The defensive alignment of
Tod O'Donnell, Dana Seero and
Stanley Livingston was once again
superb, as was the goaltending of
Lewie Green. The play of the at-
tack, especially that of Shea and
Warren was flawless, as was the
play of the midfield, which was
devastating on both offense and
defense.

Varsity Lacrosse Turns Back Deerfield, 12-3; Captures 6-4 Victory Over Brown Freshmen

Captain Jim Shea scored five goals this week. Shea leads the team in scoring with twelve points.

Saturday, April 25; Deerfield — Picking up their fourth win of the season, varsity lacrosse completely overwhelmed Deerfield, winning 12-3.

In a game whose outcome was never in doubt from the opening faceoff, PA once again put on a vicious display of offensive power, coming up with twelve goals. Leading the Blue to their easy victory were attackmen Jimmy Shea and Ethan Warren. Shea scored three goals during the contest, all of which came in the first half. Warren also came up with three scores.

Opening the scoring for the Blue was Kevin O'Brien, who put in a shot with less than two minutes having gone by. Captain Shea upped the score to 2-0, when he fired the ball into the net. Cobber Eccles came up with Andover's final goal in the period.

During the last eight minutes of the second quarter Andover exploded, scoring five times. Opening the scoring streak for the Blue was Bob Frisbie, who played another fine game at his new position of midfield. Then, just forty seconds later, Ethan Warren racked up the first of what was to be four goals in a row by attackmen. In continuing the streak, attackman Shea scored two goals within a minute of each other, giving Andover an insurmountable 7-1 lead. Greg Meserole came up with Andover's fifth and final goal of the second period, although it really should have gone to the Deerfield goalie Munster. Attempting to clear the ball out of the crease, the ball inadvertently fell out of Munster's stick and into the goal.

Starting the second half, PA made a number of changes in the lineup, the most notable of which was the replacement of goalie Lewie Green with Ed Smyke. During the third period the Blue ran the score up to 10-1, as Romerio Perkins and Ethan Warren each scored. For Perkins it was his second goal of the season, and it came on a driving shot. In the fourth period, the defenses on both teams began to see a good deal of action. As a result, Andover could come up with only two goals, as did Deerfield. Coming up with scores in this period were attackmen Warren and Eccles. For Warren, it was his third goal of the game, and for Eccles, his second. Warren played his best game of the year.

Lacrosse Tops Boston Lax Club, 8-2; PA Raise Record To 5-0-0 On Season

Middie Kevin O'Brien has four goals and three assists this year.

Running its undefeated streak to five for the season, the Andover lacrosse team soundly defeated the Boston Lacrosse Club, last Wednesday, 8-2.

The Blue was in complete command of the game for the final three periods, out scoring BLC six goals to one, while holding them to just thirteen shots. The play of the defense, as usual, was very good, especially in the crucial fourth period. Besides holding BLC scoreless in this quarter, the defense was very successful in getting the ball to the midfielders so that they could set up their attack. The play of goalie Lewie Green, who was awarded the game ball for his excellent play, gave PA an added lift. On the offensive side, the midfield and attack lines were effective, as they were able to consistently score against the BLC defense.

Andover Takes The Lead

In the opening ten minutes of the first period Andover took only four shots, none of which were on goal, before the team finally became organized and began to

move, PA proceeded to score four straight goals during the remainder of the first half. Opening the scoring column for PA was middie Peter Bensley, who tallied unassisted on a driving shot. The Blue then went ahead 2-1 in the first period when Phil Hooper rifled the ball past the BLC goalie.

Starting the second period, Ethan Warren scored with less than ten seconds having gone by, after Kevin O'Brien had taken the opening face-off. The only other goal of this period went to midfielder John Sheffield, who scored unassisted at 10:24. For Sheffield, this was his first goal of the season.

BLC Takes 1-0 Lead

The Boston Lacrosse Club, unlike PA, opened the game well, with the play of the offense and defense very smooth and organized. As a result, it took a very short-held 1-0 lead in the first period. Andover, however, began to dominate play after this score, and held BLC to just one more goal during the game, which came early in the third period, putting the score at that point, to 4-2.

PA Scores Four Goals

In the fourth period Andover iced its victory by coming up with four goals. Beginning the scoring spree in this quarter was Steve Sherrill. Taking a pass from captain Jim Shea, Sherrill spun around the side of the net and shot the ball past the goalie. PA's next three goals all came within a minute and a half of each other. Attackman Shea scored unassisted at 10:22, middie Bob Frisbie folowed with an off pass from Kevin O'Brien at 11:40, and attackman Cobber Eccles tallied at 11:51 for PA's final goal. The two points that Shea picked up in the game brings his point total to 15. He holds a six point lead over Ethan Warren, who is in second place with nine points. In third place are Bob Frisbie and Kevin O'Brien with eight apiece.

Harvard Frosh To Oppose Lax

CAMBRIDGE, MASS.

Today, the varsity lacrosse team will meet the always powerful Harvard Freshmen.

Combining an explosive offense with a stingy defense, Harvard has suffered only one loss, which came at the hands of the Brown Freshmen 10-7. Among its wins, it has defeated the Governor Dummer varsity, 23-1, the Deerfield varsity, 13-4, and the Tabor varsity, 16-7. Against Tabor, the Crimson scored nine goals in the fourth quarter to take the victory. Against common opponents that the two schools have, Andover seems to hold a slight edge. The Blue beat Deerfield by the same nine goals that the frosh did. Against Tabor, Andover won by eleven goals, 15-4, where as Harvard's margin of victory was nine. And against Brown, PA posted a 6-4 upset victory, while Harvard lost by a 10-7 decision.

Offensively, the frosh boast a scoring attack that has proved to be almost unstoppable. In the four games mentioned above, they scored a total of fifty-nine goals, which is an average of just under 15 goals a game. The defense, led by Charlie Kittredge, (PA '69), is solid. Giving up just over five goals a game, the defense has had little trouble against all its opponents except Brown, when ten goals were given up.

Going into the contest, Andover must be slated as a slight favorite to win because of its win and Harvard's loss against Brown. If PA is to take the victory however, it must be able to contain the Crimson offense.

Harvard took a 6-3 lead, PA was never able to catch up with the frosh. Defensively, goalie Lewy Green played a strong game in the nets, coming up with twelve saves in the contest. On the offense, middies Peter Bensley and Bob Frisbie played very well. Bensley picking up his second goal of the season in this game. Charlie Kittredge, captain of last year's squad led the Harvard defense, while Fred Adair (PA '69) scored two goals and assists to lead the frosh.

Early in the fourth period, with the score nine to six in favor of Harvard, Andover made a drive to tie up the game, coming up with two quick goals. Peter Bensley picked up the first score, putting in a shot at 6:24 of the last period. Midfielder John Sheffield tallied the other goal, scoring on a driving shot. This, however, was the closest that PA ever got, as Harvard came up with three more goals in the final period to clinch it.

Shea Leads Scoring

After eight games, captain Jimmy Shea leads the team in scoring with 27 points, fourteen more than Ethan Warren, who holds second place. In third place with ten points there are no less than five players. They are Cobber Eccles, Bob Frisbie, Phil Hooper, Kevin O'Brien, and John Sheffield, who came into contention for the third spot by scoring six goals in the past three games.

Andover opened the scoring very early, as Kevin O'Brien tallied at 0:39 of the opening period. This was the first of seven goals in the first period. Peter Bensley registered the second score, connecting off a pass from teammate Bob Frisbie. A minute later, Romerio Perkins fired the ball past the hapless GDA goalie, giving PA a 3-0 lead. Kevin O'Brien, who was given the game ball for his efforts, scored Andover's fourth goal. Middie John Sheffield tallied the fifth goal, and then attackmen Ethan Warren and Steve Sherrill each scored within a minute of each other to give the Blue a 7-0 lead.

Picking up its seventh win of the season, Andover lacrosse routed previously undefeated Mount Hermon, 9-4. Employing an explosive midfield, which scored seven goals, and a tenacious defense, Andover was in complete command, holding a four goal lead throughout most of the game. Leading the Blue to their easy victory was middle Phil Hooper, who came up with three goals during the game.

The Blue, in its usual fashion, opened the game very strongly, scoring five goals in the first half. Leading off the scoring for PA was middle Bob Frisbie, who tallied unassisted at 1:54 of the first period. Andover's second goal went to Phil Hooper. Taking a pass from attackman Jimmy Shea, who picked up four assists during the contest, Hooper took an off-balance shot that he still managed to connect on. PA's final goal of the period came on a score by Bob Frisbie, his second. Opening the second quarter with a 3-1 lead, Andover's playing was rather sloppy until there were three minutes left in the half, when the Blue came up with two quick scores, giving them a 5-1 lead at halftime. Tallying were John Sheffield and Phil Hooper. Sheffield scored unassisted on a bounce shot, and Hooper picked up his goal on a driving shot assisted by captain Shea.

Mount Hermon, which went into the game with an 8-0 record, probably would have been shut out by the Blue had it not been for the heroics of their captain Chris White, who tallied all four goals for the Hermies. Scoring in every period except the second, White put on a display of offensive power that was unmatched by any player on the field. His first goal came at 12:55 of the first period on an overpowering underhand shot that goalie Lewie Green never saw. Held scoreless in the second period, White came up with two scores in the third quarter, putting the score to 7-3 at that point. His fourth and final goal came late in the last period unassisted.

Wednesday, May 20; Andover-Varsity lacrosse extended its record to 8-1 when it soundly defeated a very weak and inexperienced St. Paul's team, 8-3. In a game whose outcome was never in doubt, PA completely dominated play.

Offensively, the Blue played a slow but steady game, waiting for the good shots. The attack played well, but it did seem to be hampered somewhat without the services of first-line attackman Ethan Warren, who suffered a fractured collarbone in the Mount Hermon contest. The midfield, led by Romero Perkins, who tallied two goals in the game, was more than adequate, playing equally well on both offense and defense. The defensive alignment of Todd O'Donnell, Dana Seero, and Stan Livingston saw limited action due to PA's overwhelming dominance, but it was effective in clearing the ball to the offensive zone when the occasion arose.

Andover, as it has done all season, played an excellent first period, taking a 3-0 lead. Middle Romero Perkins opened the scoring for the Blue, putting in a goal at 5:08. Taking a pass from

attackman and leading scorer Jimmy Shea, Perkins ran across the middle and took a blistering shot that hit the upper corner of the net. Captain Shea tallied the final two goals of the first period. On his first score, he took a pass from defensemen Todd O'Donnell at midfield, and then ran down completely free to the net, diving forward at the last second to put the ball by the St. Paul's goalie Parsons. His second goal came off a feed from Sam Walker.

Going into the second half with a 5-2 lead, Andover added three more insurance goals in the final two periods. Attackman Cobber Eccles, who has been excellent during the second half of the season, scored both goals in the third period. He pushed in a high pass from Shea for his first score, and went in all the way off a feed from middle Phil Hooper for his second tally.

In a very slow and methodical fourth period, Andover picked up one more score, with John Sheffield tallying at 4:08. For Sheffield, it was his seventh goal in just four games. Rounding out the scoring for PA was Peter Bensley.

Heading the Red on offense is the first line attack of Will Kistler Peter Winant, and Jay Cox. This line has accounted for more than half of Exeter's 77 goals.

Inexperienced Defense

John Taliaferro, leads an inexperienced defense, which has given up 81 goals. The main problem with the defense has been one of inconsistency. Going against the the Yale frosh it played excellently, giving up just four goals. But then, when going against a poor Governor Dummer squad, it broke down, giving up ten scores.

Going into the contest, Exeter has lost to five teams that Andover soundly defeated: Deerfield, GDA Mt. Hermon, Tabor, and BLC.

PA Lacrosse Demolishes Weak Exeter Squad, 14 - 4; Midfielder Sheffield Paces Andover With Four Goals

by BUZZY BISSINGER

Bob Frisbie scored three goals and two assists against Exeter.

Saturday, May 30; Andover—In a fitting end to another superb season, varsity lacrosse demolished a very weak and inexperienced Exeter squad, 14-4. Playing an inspired game, Andover continually dominated play, holding as much as a twelve goal lead during the contest. Led by John Sheffield who tallied four times, and by Bob Frisbie who tallied three times, the PA attackmen and midfielders proved to be too much for the inept Exeter defense, taking 41 shots on goal against just 15 for the Red. The defensive unit of Todd O'Donnell, Dana Seero, and Stanley Livingston was excellent, especially in the first half, when it held the Exies to just two shots on goal.

Andover, as it did in every game this season except against Harvard, played an outstanding first half, coming up with a 9-0 lead. Senior middle John Sheffield starting the scoring splurge for PA, putting in a shot in the opening twenty seconds. Taking a pass from attackman Cobbler Eccles, Sheffield spun around the defenseman Taliaferro, and stood motionless for five seconds before putting the ball past the Exie goalie Zabriskie, who has given up 23 goals to Andover during the past two years. Cobbler Eccles, who picked up two goals and two assists, tallied Andover's second goal. Taking a pass from Bob Frisbie, who was hit on the head as he passed off, Eccles took a wide angle shot that skimmed off the goalie's stick and popped into the net. Middle Frisbie accounted for the next three goals, all of them coming off his patented bounce shot. Sheffield increased the insurmountable lead to 7-0 when he drove home a 20 ft. bounce shot from out front. Kevin O'Brien and Greg Meserole tallied the seventh and eighth goals of the half, with both of them coming off feeds from captain Jim Shea, who finished as the team's leading scorer. Sheffield accounted for the Blue's final goal of the second period, scoring on a long shot that caught the goalie on his opposite side.

With PA's second stringers in for almost all of the second half, the squad outscored its opponents by just one goal, 5-4. In the opening minute of the third period, PA picked up two goals, extending its lead to 11-0. Jim Shea tallied first at 0:36, and then middle Phil Hooper joined the scoring ranks twenty seconds later. After a score by Rich of Exeter due to a breakdown in the defense, Andover came up with two more goals, the first by Perkins, the second by Eccles, upping the score to 13-1.

John Sheffield scored PA's final goal, coming at 2:20 of the fourth period. With two minutes to go in the contest, a fight broke out between the squads, and as a result, Sheffield and Perkins of Andover, and Chandler of Exeter were thrown out of the game. In the final two minutes, a total of eight penalties were handed out, four for PA and four for PEA.

Lange and McPhillips of Exeter, who were two of seven players to play on both JV and Varsity for the Red, each scored goals. Both players also tallied in the JV contest last Wednesday.

With this win, Andover finished with a 9-1 record for the season, as it remained undefeated in prep competition for the third year in a row.

Heidrich, Bush To Bolster Racketmen In Tough Schedule

The 1970 varsity tennis team, enforced by five returning lettermen and a number of good new prospects, is looking forward to another championship season. The team, coming off of a fine 6—1 season and the New England Prep School Championship last year is led by captain Grant Heidrich, upper Jeb Bush and lower Dave McCracken.

Bush, who played in the number five slot last year and McCracken, who played either number four or five as a junior last year are expected to play numbers one and two. The other returning lettermen are Pete Wise and upper Pete Blasier. Blasier, who started as the number three man on J.V. last year, worked his way up into the last slot on varsity by the end of the year. One unusual problem for the team this year is that Jeb Bush has just returned from Texas because of illness and is not yet able to practice.

Underclassmen Shine

The coach, Mr. Dalton McBee is "modest, but hopeful" and is looking forward to a successful season. Coach McBee also noted that none of the varsity spots are assured for the returning lettermen which leaves all eight places open for the forty candidates. Some of the top prospects for these spots are juniors Mike Gomez and Bill Kaplan, along with lowers Dave Chase and Peter Norris. Both Gomez and Kaplan defeated varsity performers of last season.

One of the important factors that should help the team this year, according to Coach McBee, is teaching fellow Steve Devereux. Mr. Devereux who is one of the assistant coaches and is a former tennis player here himself.

As usual, the team will have to battle a tough schedule beginning with the Williams College, Dartmouth and M.I.T. freshmen teams. Other opponents will include the Harvard frosh, Choate, St. Pauls, and of course, Exeter. As last year, this year's doubles combination, though not yet decided upon, will play an important part in Andover's retention of the New England Crown.

PA Tennis Tops Williams, 6-3; Racketmen Fall To Dartmouth

Saturday, April 18, Hanover, N.H.

The Andover varsity tennis team suffered its first defeat of the season at the hands of a strong Dartmouth freshmen team, 5-4. The Indians made good use of their home court advantage, and overpowered the Blue in the singles matches. All three of the PA doubles teams won, however, as they are developing into one of Andover's strengths.

The only Andover player who could manage a win in singles was Captain Grant Heidrich, who topped his man in three sets. Heidrich's play was excellent at times, and he seemed to like the courts as he won, 6-8, 6-4, 6-3. PA's number one player, Dave McCracken, sustained another toughly fought loss 6-2, 3-6, 3-6, as he could not hang on to win after decisively taking the first set. Dave Chase, at number two, also went down at the hands of his opponent, losing 6-4, 3-6, 5-7, in a hard played match. Junior Bill Kaplan, in the number four position, fell in straight sets, 4-6, 1-6, playing sub-par and thus not being able to

put together key shots. Rounding out a near sweep for the Green, Dartmouth's sixth racketman took a three set match from lower Tom Raleigh, who couldn't maintain his momentum, by scores of 6-2, 3-6, 6-3.

The doubles matches were the highlights of an otherwise dismal performance by the Blue. The senior combination of Heidrich and Wise played superbly together, downing their adversaries in straight sets, 6-3, 6-2. McCracken and Chase, the number two team, complemented each other's strengths to triumph in three sets, 3-6, 6-2, 6-2, extending their winning streak. Doug Billman and Rich Darner completed a Blue sweep of the doubles play, downing their opponents easily, 6-3, 6-2, for their second win.

WILLIAMS

The varsity tennis team opened its season on a winning note this week, as it handily defeated the Williams College Frosh, 6-3. Andover had all but clinched a victory as their singles matches came to a close with the Blue ahead, 4-2. The doubles were much the same story as Andover took two of the three matches played.

In the singles competition, lower Dave McCracken, playing in the number one spot, dropped a close decision in three sets, 4-6, 8-6, 3-6. Andover won the next three matches, with the first coming when the number two man, lower Dave Chase, easily defeated

Williams' only ranked racketman 6-4, 6-3, playing a superb all-around game. He hit his ground strokes well, played a fine net game, and served well. Senior Pete Wise, at number three, edged out a hard-played 6-2, 2-6, 6-4, victory over his opponent, using his hard serve to advantage. Junior Bill Kaplan had the handiest triumph of the day as he exploited his opponent's weakness to the fullest with accurately placed shots to come up with an easy 6-1, 6-2 win. The only other singles win was by Tom Raleigh, a lower, as he downed his man in two sets, 6-3, 6-2. Captain Grant Heidrich played strongly, but he could not put it together as he went down, 6-4, 6-3.

The number two doubles team of McCracken and Chase looked best as they easily took their match 6-4, 6-1, obviously outplaying the Williams team. The only other winning tandem was another lower combination, Doug Billman and Rich Darner, who came back from behind to win, 4-6, 6-3, 6-3. They kept their opponents running all over the court in the last two sets. The senior duo of Heidrich and Wise sustained the only loss, 3-6, 2-6. Despite the loss, they played well and should improve as the season advances.

Bush took his man in two straight sets with scores of 7-5 and 6-1. The fourth seeded man was Peter Wise, who also took his man easily in two sets of 6-3 and 7-5. Wednesday, April 22; Andover-Distinguished by very strong play on the parts of all its members, the Andover varsity tennis team powered itself past the M.I.T. freshmen, 9-0. This was the strongest showing to date for the team. The match demonstrated the ability of this year's squad, as Andover won every match in both singles and doubles competition, and in the process won every match in the minimum number of sets except one, as captain Heidrich won in three.

No Trouble For Blue

Andover seemed to have no trouble at all, right from the

Doubles sweep

In the doubles competition it was the same story, as the Andover racketmen swept all the match-ups, and won each by large margins. Dave McCracken and Dave Chase combined to make up the first doubles team. Both McCracken and Chase played exceptionally well and won easily over their opponents in sets of 6-2, and 6-4. Next came the team of Peter Wise and Grant Heidrich, who dominated their opponents, and won with a score of 10-4. Making up the final doubles team were Doug Billman and Rich Darner, who took their match easily with a score of 10-3. They controlled their opponents throughout the entire match and had no problems.

Deerfield Outlasts PA Tennis Squad; PA Tops MIT, 9-0

Saturday, April 22; Deerfield- Dropping its second match of the season, the Andover varsity tennis team fell to a strong Deerfield team by the score of 6-3. The Deeries were strengthened by four returning lettermen as the team was stronger than in recent years. It was just the second time in 11 years the Green have downed PA.

The only two bright spots for the Blue, in an otherwise disappointing loss, were the playing of Jeb Bush and the doubles combination of Doug Billman and Rich Darner. Bush, who had missed many of the early spring practices because of illness, looked stronger than he had in any of his previous showings. Playing in the number three spot, he won easily, 6-2, 6-3. Playing number three in doubles, Billman and Darner won their fourth straight match as they downed their Deerfield opponent, 6-4, 6-0. The only other win for PA was in the singles as captain Grant Heidrich, playing in the number six position, won a close match, 6-3, 4-6, 6-2.

PA's number one man, Dave McCracken, lost his match to Deerfield's highly touted Tim Noonan, 6-4, 6-1. Noonan is rated one of the top twenty 18-and-under players in the country and he may well be the top New England prep school competitor. Dave Chase, playing in the number two spot, lost decisively, 6-0, 6-0. Junior Bill Kaplan, at number four, had an off day and lost, 6-3, 6-3. Rounding out the singles competition for the Blue was Pete Wise, who played well in the first set but lost, 6-4, 6-0.

The number one doubles combination of Dave McCracken and Dave Chase lost a close, hard fought match, 6-1, 4-6, 6-2. Seniors Pete Wise and Grant Heidrich combined to play second doubles but lost, 6-1, 6-0.

Andover Tennis Topples St. Paul's, 7-2

Wise, Chase Score Victories; Bush Takes His Third Match

Extending its record to 3-2, the varsity tennis team easily defeated St. Paul's, 7-2, in a match played on the PA courts Wednesday. Andover's strength was well balanced as it won the majority of both singles and doubles matches.

Jeb Bush had the strongest showing as he took his third match in straight sets. Bush completely dominated the first set and then let his momentum carry him easily past his frustrated opponent, 6-0, 6-1. Number three man, Dave Chase, also won in straight sets. Chase, who managed to put many shots past his onrushing opponenet, hit his ground strokes with near perfection to win, 6-4, 6-4. Bill Kaplan, who played in the number four position, played what was probably his best match of the year to win convincingly, 6-4, 6-4. Playing in the number five spot, Pete Wise came back from a relatively poor showing at Deerfield to win in straight sets, 6-3, 6-4. Captain Grant Heidrich took his fourth straight match winning in three sets, 6-4, 4-6, 6-1. Heidrich exploited his opponents's weak net game and again used his serve effectively to win the match. The only singles loser was number one man, Dave McCracken. McCracken played very well but his opponent was evidently too much for him. The match did go to three sets however, as McCracken succeeded in tiring his opponent in the first set enabling him to win the second relatively easily.

The story in doubles was much the same as PA took two out of the possible three matches. Due to the lack of time the doubles matches were played with one ten game set, instead of the regular best of three, six game sets. Again the bright spot in doubles competition was the combination of Rich Darnier and Doug Billman. Playing at number two for the first time, the duo won easily by the score of 10-4. This win was the 5th for Darnier and Billman who have not yet lost this season. The number three team of Bill Kaplan and Tom Raleigh played their first match together on varsity and won easily 10-4. Dave McCracken and Dave Chase teamed up to play first doubles but lost, 10-8.

After losing to Deerfield, 7-2 Andover's showing against SPS was encouraging. Deerfield barely edged by SPS last weekend, 5-4, and if Exeter can top the Deerries and PA can outlast the strong Exeter team, the Blue could take the New England crown.

PA Tennis Falls To Harvard, Choate; Netmen Top Weak Merrimack Squad

Wednesday, May 6; Andover— The varsity tennis team suffered its most one-sided loss as it was defeated by the powerful Harvard-Freshmen team, 8-1.

The only winner for the Blue was Lower Doug Billman, who played in the fifth position. Billman, who was playing his first singles match on the varsity played well to win, 8-6, 6-1. Number one man, Jeb Bush also played very well but couldn't hold on to his one set advantage. Bush, who replaced the injured Dave McCracken in the number one spot, lost his first singles match of the year, 6-4, 0-6, 4-6. Dave Chase, at number two, also had trouble after holding an early lead and lost, 7-5, 6-0. Bill Kaplan, who played in the third spot, lost 6-2, 6-1. The other singles losers for the Blue were Pete Blasier and Pete Wise, both losing in straight sets.

Andover could not manage to win any doubles matches as the Harvard duos displayed excellent teamwork to dominate the matches. Playing number one, the team of Dave Chase and Jeb Bush carried its match to three sets but lost, 6-4, 5-7, 3-6. Playing in the number two position the combination of Rich Darner and Doug Billman lost its first match of the season, 6-4, 6-1. Rounding out the play for the Blue was the team of Grant Heidrich and Pete Wise who lost, 6-3, 6-3.

CHOATE

Saturday, May 16; Wallingford, Conn. — Evening its record at 4-4, the varsity tennis team lost a very close match to the Choate School. The contest went down to the last match but the Blue could not come from behind and subsequently lost, 5-4.

Dave McCracken again led the team as he took his second match this week. McCracken relied on his strong serve and excellent ground strokes to win, 6-3, 6-0. Doug Billman, playing in the fifth position, played steady game and won, 6-2, 6-3. Pete Blasier was the other singles winner as he took his match in straight sets, 6-2 6-3.

Jeb Bush, playing number two, took his match to three sets but lost, 6-4, 5-7, 4-6. Dave Chase who played in the third position, also lost a close match in three sets, 4-6, 8-6, 5-7. Chase played

one of his best matches of the year, however, placing his shots perfectly and running his opponent all over the court.

The bright spot in the doubles competition was the team of Rich Darner and Doug Billman. Darner and Billman, who had won five straight matches before losing to Harvard, took their second match this week, 7-5, 6-3. Dave McCracken and Dave Chase lost their match in straight sets as did the team of Tom Raleigh and Bill Kaplan.

MERRIMACK

Wednesday, May 13; Andover— Rebounding from its disappointing loss to Harvard, the varsity tennis team trounced the Merrimack Freshmen, 9-0. It was an extremely strong showing for everyone as not one match went to three sets.

Dave McCracken led the team as he came up with a superb 6-2, 6-1 victory over Sampson of Merrimack. McCracken, who missed two weeks of practice because of a leg injury, had one of his best performances of the year to win easily. Number two man, Jeb Bush again turned in a fine performance winning, 6-4, 6-0. Employing a powerful serve and an overwhelming forehand, Bush proved to be too much for his weak Merrimack opponent. Dave Chase, in the number three position used his all-around fine play to win overwhelmingly, 6-0, 6-0. Lower Doug Billman, won easily 6-1, 6-0. Pete Blasier and Alan Fawcett both won in straight sets, Blasier winning, 6-3, 6-0, and Fawcett, 6-0, 6-0.

In doubles, Andover again dominated the play, taking all three matches. Dave McCracken and Dave Chase teamed up to play first doubles and won relatively easily, 8-6, 6-1. Rich Darner and Doug Billman took their match with a decisive 6-0, 6-1 victory. Jeb Bush and Grant Heidrich finished the Blue sweep winning impressively, 6-0, 6-0.

Club Tennis Drops Contest To Exeter; Tweedy Stands Out

Wednesday, May 27; Andover-The highly touted club tennis team lost its first and only match this year to Exeter, 14-10.

Burr Tweedy had an excellent day, as he won both his singles and doubles matches. Tweedy teamed up with Tony Carroll to destroy Exeter's fine number one team.

Bolstering the team was Rob "Daddy Wags" Wagner. Wagner, who scored victories in both singles and doubles competition, dominated his matches with his overwhelming serve and powerful backhand. In doubles, Wags teamed with Dave Samson and they completely intimidated their opponents, 8-5. The highlight of Wagner's play was his excellent placing of his racket all over the court, including over the fence.

Other singles winners for Andover included Jim Lobsenz, Ken Ehrlich, Rick Casey, and Tim McChristian.

Andover split the doubles matches 4-4, but the Blue managed to come up with some very impressive victories. Geert Geisterfer and Scott Hughes combined to play second doubles and won.

was obviously their best performance of the year.

Dave McCracken, who played in the number one spot, lost another close match, 7-5, 6-1. McCracken, who had a strong first set, had difficulty combating his opponent's strong serve. Jeb Bush, at number two, and Dave Chase, at number three, both lost in straight sets, Bush losing, 6-4, 6-0, and Chase losing, 6-0, 8-6. Rounding out the singles play for the Blue was junior Bill Kaplan. Kaplan, who looked far better than he had in the previous two weeks, lost a close match, 6-3, 4-6, 6-4.

The team of Dave McCracken and Dave Chase lost another reasonably close match, 6-4, 6-3 as again they could not combine for the victory. Rich Darner and Doug Billman, who have played superbly all year, lost only their second match of the season, 6-4, 6-3. Their opponents were extremely aggressive and this was an important factor in the Exeter win.

Exeter Defeats PA Tennis, 6-3

by BILL GIFFORD

Saturday, May 23; Exeter-Ending its season with a somewhat disappointing 4-5 record, the varsity tennis team lost to Exeter, 6-3. The Blue could not pick up a win in the top four singles slots as Exeter's strength in its top men proved to be Andover's downfall.

Billman Undefeated

Doug Billman extended his winning streak to four matches as his consistent ground strokes and excellent placing carried him to an easy 6-2, 6-0 victory. Billman, who has yet to lose in singles competition, had few lapses and easily dominated the match. The only other singles winner for the Blue was number six man, Pete Blasier. Blasier's match, which was probably the closest of the day, gave him his third straight singles victory, as he won, 6-2, 7-1, 7-5. Blasier played very aggressively and relied on his strong serve to take the closely fought match. The team of Bill Kaplan and Tom Raleigh got the remaining win for Andover, taking their match, 6-4, 7-5. Kaplan and Raleigh, who have improved steadily throughout the year, played excellently, having what

Blue Track Falls To Dartmouth Frosh, 88-61; PA Thinclads Look Forward To Good Season

Track Captain Nick Leone

Friday, April 17; Andover
Placing first in nine events, and sweeping three, the Dartmouth freshmen track team rolled past Andover, 88-61. Pete Sorota was in his winter scoring form as he picked up eighteen points, including three firsts and a second.

Captain Nick Leone started off the spring with two firsts in the 220 and 440. His 50.0 time in the latter was excellent for this early in the season. Trip Anderson copped a first in the low hurdles with a winning time of 21.1 and second in the high hurdles with

Gordy Cheesman taking a third. In the 100, Darryl Robinson tied the Dartmouth winner with a time of 10.7 but was just barely edged at the tape. Third place went to Chris Tow. In the 880 and mile all Andover could manage were two thirds going to Sam Butler and Elmer Rynne respectively. The two mile was swept by Dartmouth, who also took the relay.

Jay Hughes continued his success from last winter as he finished first in the Shot Put and Hammer events. Both of the winning distances, 53'3" and 163'6", were great for the early spring.

In the Pole Vault, the only event Andover swept, Pete Sorota took first, Dennis Lombardo second, and Dave Andrews third. The other first for Sorota was in the Javelin, in which Bob Martinez had a third, and the Long Jump. In the triple jump, a relatively new event, a second went to Sorota and third to Anderson. Andover did not place in either the Discus or the High Jump.

The spring track team is looking forward to another successful season this term under the leadership of Captain Nick Leone. Leone plans to run in four events,

the 220,440,880, and relay. In the Interschols last year, Leone finished first in the 220 and 440. Returning lettermen Pete Sorota, Dave Andrews, Trip Anderson, Gordy Cheesman, Charlie Fliflet, and Bill Enright promise to add experience and balance to this year's squad.

In the running events Andover will be greatly helped by some of this winter's lettermen and cross country letter winners. The two-mile will be reinforced with the addition of Stan Carson, number one man on cross country, and Mike Eng backing up last spring's star Charlie Fliflet. The mile will be strong with lower Sam Butler, who ran with the varsity last term in the 1000, and Todd. Both do around the 4.47 mark. Butler will also run in the 880 along with Senior prep John Bushnell. Darryl Robinson will back up Leone in the short distances and if he can retain his present form may help Andover to a lot of one-two finishes in these events.

The field events are particularly strong this year, not only because of their great number one men but also because of their three

(Continued from Page Five)
man depth. The long jump has two of their three lettermen back from the winter--Pete Sorota and Chris Tow. Here also is a good possibility for some one-two finishes. The high jump will be manned by Trip Anderson, Pete Sorota and Paul Cook. Anderson frequently does six feet and Sorota has also reached that height. Sorota will again lead the pole vaulting crew and if he can up his 13 foot best of this winter he will have a shot at the school record. Another record could be broken by Senior prep Jay Hughes who starred for PA this winter. Hughes has often thrown 165 feet and should win often. Roberto Martinez will move up from JV with his throws of well over 140 feet.

Saturday, April 25; Medford — Taking ten firsts and sweeping four events, the Andover track team trounced Tufts, 92-62, as Pete Sorota led the Blue scoring with three firsts. Depth was the difference in the meet, as PA registered many seconds and thirds.

Jay Hughes took first in the hammer. In the long jump, Sorota took Andover's only place with a winning jump of 21 ft. 2 in. while Nick Leone finished first in the 440. Darryl Robinson proved too much for his Tufts opponent as he sped to victory, in a time of 10.4 seconds for the 100 yard dash. Robinson also took a first in the 220. Dave Ross and Charlie Flifet finished one, two in the two mile for Andover. The pole vault was all Andover with Sorota, Dennis Lombardo and Dave Andrews finishing first, second, and third, respectively. Andover swept the high jump with Cook placing first, while Sorota and Trip Anderson tied for 2nd. The musclemen took all three places in the shotput and javelin with Jay Hughes and Sorota taking firsts. Jeff Hepburn and Bill Heidrich placed second and third respectively in the shotput and Bambino Bob Martinez and Bill Enright placed second and

third respectively in the javelin. Charlie Fliflet was a standout for Andover in the mile, finishing second with a time of 4:50.1. Elmer Rynne and Sam Butler placed 2nd and 3rd in the 880 with identical times of 2:07.7. The triple jump was won by Tufts but Sorota and Chris Tow finished 2nd and 3rd. Leone took a 2nd in the 440 hurdles.

Tufts won the discus while Hepburn and Hughes finished second and third. The Baby Jumbos won the relay for their final points.

Placing first in an impressive thirteen events and sweeping one, Pete Sorota and Jay Hughes combined for an astounding total of 40 points, as PA trounced the state champions, Andover High, 86-63, on Wednesday at PA. Andover opened with a sweep of the hammer throw and went on to hold the lead throughout.

Sorota's five firsts came in the long jump, with a leap of 21' 10", the javelin, the high jump, the pole vault and the triple jump. Sorota shattered the record he set only last week as he triple jumped a distance of 41' 7½". Hughes had his glory in the muscleman events, as he tossed the hammer, the discus, and the shot in a formidable fashion to gain first in all three events. A winning relay climaxed an exciting meet for the Blue, as PA had three excellent baton passes to finish with a strong time of 1:34:9.

In a furious, down-to-the-wire 220, captain Nick Leone managed to edge his AHS opponent by a step to take the only Blue place in the event. Leone's other first came in the 440, as he continued to dominate the event with a 49.0 time. Elmer Rynne and David Ross took PA's remaining two firsts, with wins in the mile and two mile contests respectively.

Andover's only troubles stemmed from the fact that Andover High has one of the best hurdles teams in the nation and consequently won first and second in both hurdle events. Duboise of Andover East led his team in the 120 and 180 yd. hurdles and aided by the other excellent hurdlers held next year's winter track captain Trip Anderson to a dismal three points. Anderson could only manage thirds in the high jump, in the 120 yd. hurdles, and in the 180 yd. low hurdles. Chris Tow was the only cinderman to place in two events, taking a second in the 100 and a third in the long jump. Bill Enright, Charlie Fliflet, and Sam Butler all placed second in the hammer throw, the two mile, and the 880, in that order.

Other point-getters for the Blue were Evan Bonds, completing the sweep of the hammer, Jeff Hepburn in the shot put, Darryl Robinson in the 100 yd. dash, Dave Andrews in the pole vault, and Bruce Wolfe in the 880.

This victory gives the track team a 2-2 record so far this season.

Today the Blue go against a powerful team from UNH. Previously this spring, UNH defeated Exeter in a greuling down to the wire contest.

Wednesday, May 6; Andover— Sparked by Peter Sorota's excellent 24 point performance, the varsity track team rolled over the freshman team from the University of New Hampshire. Coupled with Trip Anderson's strong show-

ing of 14 points, the PA cindermen displayed good depth and dominated three events. Andover's main trouble came in the running events, as most college teams are strong in this category.

Sorota's firsts came as he threw the javelin to win with mark of 175' 1", placed first in the long jump, the pole vault, the triple jump, and finished in a first place deadlock in the high jump. Anderson displayed almost equal versatility, as he tied for first in the 120 yd. hurdles and the high jump, won the low hurdles, and finished third in the triple jump.

Capturing PA's remaining two individual firsts were Jay Hughes and Nick Leone. Leone continued his dominance in the 440 and Hughes took first in the hammer throw, as well as placing second and third in the shot put and discuss respectively. Despite a dismal showing in the relay, Andover managed a victory.

Darryl Robinson, the next highest point getter for the Blue, finished behind Wasdyke of UNH twice, in the 100 and the 220. Reese Murray also had a fine day, as he took second in the 180 yd. low hurdles, and thirds in both the high jump and the high hurdles. Other major point-getters for Andover were Cleveland Burton, who finished second in the 440 and third in the 220, and Chris Tow, who placed second in the long jump and third in the 100. Sam Butler and Charlie Fliflet both ran well as they took seconds in the 880 and 2 mile events.

Also scoring for the Blue were Roberto Martinee, with a strong showing in the javelin. Dennis Lombardo, Elmer Rynne, Bill Enright, David Ross, and Rodger McInnes.

Wednesday, May 13; Andover — Managing only one first in the entire meet, the Andover tracksters fell to the dominative Harvard freshmen by a score of 120-29. Without the services of star runner Nick Leone, and simply outclassed in many events, PA as never in the contest. Jay Hughes took the only first for Andover, as he threw the hammer 176' 7". His only point came in the shot put, when he placed third.

Peter Sorota broke the school record in the triple jump again, with a mark of 42' 7", but lost by almost five feet. He also had a winning long jump of 22', but was handed a quarter-inch fault and had to settle for second, as he did with his 13'0" pole vault. Darryl Robinson had a good day, but also had to be content with two seconds, despite a 10.4 time in the 100 and a strong showing in the 220.

Trip Anderson was held to two points by an excellent Harvard hurdles team lead by Hickman, as he took thirds in the high jump with a six foot jump, and third in the low hurdles. PA's remaining points came on thirds by Bill Enright in the hammer throw, Harris Todd in the mile, Cleveland Burton in the 440, Dennis Lombardo in the pole vault, Charlie Fliflet in the two mile run, and Jeff Hepburn in the discus throw.

Saturday, May 16; Andover — The Andover track team finished the week on an upswing, as it completely destroyed an understaffed Huntington squad, 113-16. The meet was hardly to be taken seriously, as several events saw contestants from Andover only. Peter Sorota and Trip Anderson led both teams in scoring, as Sorota's 19 points outscored the entire Huntington team, and Anderson totaled 14 points.

Sorota placed first in the javelin, the long jump and the pole vault, and tied for first in the high jump, which was halted at 5'6". Anderson's three firsts, one a tie, come in the 120 yd. high hurdles, the 180 yd. low hurdles, and in the high jump, respectively. Darryl Robinson and Jay Hughes each picked up eight points for Andover. With Nick Leone not running in the meet, Robinson won the 220 yd. dash, and placed second in the 100. There was no hammer throw event, so Hughes' points came in the shot put and a second in the discus.

Gaining the remaining firsts for PA were Charlie Fliflet in the mile, Cleveland Burton in the 440, David Ross in the 2 mile run, and Elmer Rynne, who won the 880 by less than tenth of a second. The only event that was suspenseful was the relay, as anchorman Burton brought PA from behind to win by a good margin.

Reese Murray had a strong meet as he scored seven points on seconds in the hurdles events and a third in the high jump. Also placing in two or more events were Chris Tow, who won second in the broad jump and third in the 100, and Sam Butler, who lost to Rynne in the 880, and threw the javelin to third place. Dave Andrews, Bob Martinez, Harris Todd, John Koch, and John Boyle took the only other Blue seconds.

SOROTA LEADS PA WITH THREE FIRSTS; DEERFIELD FINISHES SECOND, PEA THIRD

Saturday, May 23; Deerfield — Placing first in six events, and taking seconds in another five, the Andover track team captured the interscholastic title with remarkable ease, scoring 59½ points, double that of the nearest competitor. Peter Sorota starred for the Blue, as he finished first three times, a new meet record. Nick Leone, running for the first time since May 6, and Trip Anderson had fine days, as they scored 13 and 12 points respectively.

Host Deerfield finished second in the meet, as it scored 29 points, followed by Exeter, which squeaked out a third place with 27 points. Hotchkiss, Assumption, and Mt. Hermon all completed the meet within one point of the Exies, as the battle for second and third places was tight throughout the meet. Also entered in the interschols were Choate, Worcester Academy, Loomis, and Taft.

Sorota captured his first in the pole vault, with a 13' 0" height, in the long jump, with 21' 10¾", and in the javelin. Nick Leone was the second high scorer for PA, taking first in the 440 and the 220,

and running anchorman in the relay, which placed second. Shattering the record he set last year at the N.E.P.S. meet, Leone had a time of 48.7 in the 440. Trip Anderson bettered the school mark in the 120 yd. high hurdles with a clocking of 14.7, and also in the low hurdles with a fast time of 21.6 seconds.

John Heller of Exeter beat Anderson, however, running the lows under 20 seconds. Anderson's other place was a fourth in the high jump.

Musclemen Jay Hughes and Roberto Martinez each took seconds, Hughes throwing the shot, and Martinez finishing behind Sorota in the javelin event by only a foot. Long distance runner Elmer Rynne took the remaining individual second place, as he crossed the tape in the 880 in a tie. Andover's relay team, comprising of John Boyle, Cleveland Burton, Jon Bushnell, and Nick Leone, finished second.

The other scorers for Andover were Jeff Hepburn and Paul Cook. Hepburn finished fifth in the shotput and Cook took fifth place in the high jump, just behind Anderson.

PA also placed in two non-scoring events, the hammer throw and the junior relay. Jay Hughes took third in the hammer and Bill Enright finished in the fifth slot. In the junior relay, Andover's 16 and under team finished third with a time of 141.8. Running for the team were Will McConnell, John Rogerson, Bruce Wolfe, and John Elrod, anchorman.

The meet was held under moderately good conditions, with little or no wind to affect the times; however the temperature was quite high, making running uncomfortable.

Dennis Lombardo placed first against Exeter with a 12'6" jump.

Saturday, May 30; Exeter— Dominating all but the hurdles and long distance running events, the Andover varsity track team completed a highly successful season with an 85-46 rout of Exeter. Leading the Blue and playing in their last meets of their PA careers were Pete Sorota and Nick Leone, who scored eighteen and fifteen points respectively.

Sorota took first in the javelin, with a winning throw of 171' 10½", the high jump, and the broad jump.

His 23' 6½" leap established a new record in the event. Sorota's other place came in the pole vault, finishing second. Leone's three firsts in three races came in the 100 yd. dash, the 220 yd. dash and in the 440 yd. run. Clocking the 220 at 22.7 seconds, and running the 440 under 50 seconds Leone's performances in the two events were far superior to those of his opponents.

Facing the arduous task of running against Exeter's star hurdler, Heller, Trip Anderson was held to only nine points, on seconds in both hurdles events and in the high jump. Anderson's revenge however, came in the relay. Running anchor, he brought Andover from about ten yards back to a yard lead and an exciting victory.

Jeff Hepburn and Jay Hughes each had fine days, as Hepburn scored a first in the discus and a second in the shot put, while Hughes' record-breaking 57' 10" heave in the shot put won the event. Hughes also placed third in the discus. PA's remaining first went to Dennis Lombardo, who edged Sorota in the pole vault with a height of 12' 6".

Scoring four points on a second in the 220 and a third in the 100, Darryl Robinson ran well in fields that included both Leone, and John Heller of Exeter. In both events, Robinson and Heller finished within one tenth of a second of each other. Cleve Burton, Elmer Rynne, and Charlie Fliflet took Andover's only other seconds, running the 440, the 880 and the two mile respectively. It was these races that Andover encountered its main difficulties. Exeter's Steve Hamel won both the mile and the two mile races, outclassing the Blue contestants. Elmer Rynne put on a last second sprint in the 880, but Scot Knox edged him by a yard and also finished second in the mile event.

The other scorers for the Blue were Gordie Cheesman, "Bambino Bob" Martinez, Paul Cook, Dave Andrews, and Rodger McInnes. Cheesman placed third in both the 180 lows and the 120 highs, while the rest took thirds in the javelin, the high jump, pole vault, and long jump, in that order.
